PREFACE.

JOHN SANDS has again the pleasure of introducing his SYDNEY AND SUBURBAN DIRECTORY to the general public of Sydney and neighbourhood, and for their guidance would respectfully submit the following key in order to facilitate reference.

The GENERAL INDEX (page v and VI) is an alphabetically arranged list of every item in the book. Immediate reference to this would save much trouble and time.

The CITY STREETS DIRECTORY (pages 1 to 126), arranged in alphabetical order of names of streets, shewing where they commence, the intersecting and terminal streets, together with the numbers of the houses in the main thoroughfares. This will be found very useful in tracing the exact locality of the more obscure and smaller houses.

The SUBURBAN DIRECTORY (pages 127 to 475) is compiled on the lines of the City streets, as far as possible. The respective Municipalities and Suburbs are shewn in alphabetical order with their boundaries, together with the rates, official lists, &c., collated up to date of collection.

The ALPHABETICAL DIRECTORY (pages 476 to 893) contains the institutions, business, professional and private persons resident in Sydney and suburbs arranged in alphabetical order in the following sequence :—Where entries commence with the same surname institutions and public bodies take precedence ; next come the names of public companies, followed by partnership firms, then the names of individual business and professional people, and lastly private persons.

The TRADES AND PROFESSIONAL DIRECTORY (pages 894 to 1076) contains lists of the trading and professional community only. Index of headings will be found at pages xxv to xxix. As much difficulty is experienced in gaining full and accurate information for this Section, it has been considered expedient to classify them according to the instructions given to the canvassers—a reference to similar trades being placed under each heading.

A list of leading European Manufacturers will be found at pages 1077 to 1080.

The MISCELLANEOUS DIRECTORY (pages 1081 to 1119) includes Governmental and Parliamentary Lists, Civil, Naval, and Military information, kindly revised to the latest dates by Government and other officials to whom the publisher tenders his best thanks

A list of firms connected with the Telephone Exchange (pages 1093 to 1106), and also a list of firms with fixed pay days (pages 1114 to 1118), will, no doubt, be found useful in business circles.

Whilst thanking the subscribers and the public generally, the publisher begs to say that the whole of the information has been COLLECTED, COMPILED, AND PRINTED BY A STAFF RESIDENT IN AND KNOWING THE CITY AND SUBURBS, therefore this edition should be as complete and reliable as it is possible to render so voluminous a work.

SPECIAL.—Corrections for the 1893 edition should be forwarded not later than the first week in October, 1892. Communications connected with DIRECTORIES to be addressed to "Compiler," SANDS'S DIRECTORIES, 374 George street, Sydney.

374 GEORGE STREET, SYDNEY,

January, 1892.
