

SANDS' SYDNEY DIRECTORY

FOR 1871.

The Publisher has to ask the indulgence of his numerous Subscribers for some little delay in the issue of the Work, owing partly to the new plan adopted with regard to the STREET DIRECTORY (which now includes both Sydney Proper and the Suburbs) and partly to the increased size of the Book.

The Publisher also desires to return thanks to his Subscribers, whose large and increasing numbers show that the DIRECTORY has attained a very high position as a Commercial Work, and to assure them that no effort will be wanting on his part to improve still further its value in succeeding issues.
