GOLD MEDAL, PARIS, 1878.

By Royal  Command.

JOSEPH GILLOTT'S
 CELEBRATED
STEEL PENS.
SOLD BY ALL DEALERS THROUGHOUT THE WORLD.

Every Packet bears the fac-simile
 Signature, 

As supplied to the Royal Nurseries.

THE MOST
 PERFECT SUBSTITUTE
 FOR MOTHER'S MILK.

The Highest amount of Nourishment in the
 most Digestible and Convenient Form.

THE ONLY FOOD SPECIALLY PREPARED FOR INFANTS.

*"The Adult CANNOT thrive on the Milk provided for the Infant, while the food adapted
 for Adults MUST be too strong for Babes."*

Abounding in FLESH-FORMING and BONE-FORMING substances, this food perfectly fulfils its object, whereas other so-called Foods, such as Corn Flour, being entirely devoid of nourishing properties induce a rickety and idiotic condition. It is also carefully freed from the ground husks of the wheat which cause irritation of the bowels, diarrhoea, &c.

CAUTION.—A Genuine Food should not contain an excess of sugar, nor be too palpably sweet. Such Foods may be palatable, but they are also pernicious. For this reason so-called Milk Foods, Condensed Milks, &c., are prejudicial to the health of Infants, from the large proportion of beet sugar they contain, rendering them utterly unlike the article they are supposed to represent, viz., MOTHER'S MILK.

TINS, 1s., 2s., 5s., 10s.

ASTHMA, DIFFICULT BREATHING, &c.
DATURA TATULA INHALATIONS

AFFORD THE MOST PROMPT AND EFFECTUAL RELIEF.

Spasmodic Asthma, as well as the milder forms of the disease, and other complaints attended with short and difficult breathing, loss of rest, &c., quickly yield to the soothing influence of the fumes of Datura Tatula, and painful paroxysms are either averted or quickly subdued by its use in either of the following forms:—

Cigars and Cigarettes—Boxes, 8s., 15s. Pastilles and Powder (for non-Smokers' use)—Boxes, 2s. 6d., 5s., 10s. For use as Tobacco—Tins, 2s. 6d., 5s., 10s., 15s.

A SPECIAL FORM OF NUTRIMENT IN

CONSUMPTION, and where there is a tendency to other WASTING & DEBILITATING DISEASES, attended with loss of power to digest & assimilate Food.

PANCREATIC EMULSION OR MEDICINAL FOOD

Restores Digestive Power, Appetite, Strength, and Weight.

By supplying the system with the solid form of nourishment required, PANCREATIC EMULSION is infinitely more efficacious than fluid fats—such as Cod Liver Oil and Oily Emulsions of any kind—while it has also the advantage of being pleasant to the taste, and not disagreeing with the delicate stomachs of Invalids or Children.

Prescribed by the leading Physicians in the United Kingdom, America, India, and the Colonies.

BOTTLES, 2s. 6d., 4s. 6d., and 8s. each.

CHOLERA, DIARRHOEA, DYSENTERY, &c.

JEREMIE'S SEDATIVE AND ANTI-SPASMODIC

Is held in the highest repute, especially in India, where it was introduced by an experienced officer of the Opium Department about 50 years ago.

It is acknowledged to be a most valuable remedy for

DIMINISHING NERVOUS EXCITEMENT, ALLAYING PAIN, PROCURING TRANQUILITY AND REPOSE.

Without the unpleasant symptoms and objections which attend the employment of other Sedatives.

DR. JACKSON, Apothecary-General, Calcutta.

"I have constantly used it, and always with the most favourable results."

CIVIL SURGEON WYNNE, Patna.

"It affords me great pleasure and satisfaction to bear testimony to the efficiency of JEREMIE'S Sedative in Cholera. In no instance have I met with a failure of recovery."

From SIR CHARLES D'OTLEY, BART.

"JEREMIE'S Sedative was frequently administered to me by DR. KING, and always completely soothed the pain, leaving no bad effects; it has, indeed, saved my life more than once."

Extract from "ENGINEERING," August 27th, 1880.

"We are informed that the Russian Government, having decided to make use of a portable railway in its military operations in Turkestan, sent a commission some time since to examine into and report upon various systems employed in England, Belgium, France, and Germany, and that this commission recommended the adoption of the Decauville system. In accordance with this suggestion, a preliminary order has been given to Messrs. DECAUVILLE, at Petit Bourg, for about 60 miles of line, of 50 metre gauge, with 500 vehicles especially designed for the transport of provisions, liquids, and men, and two engines weighing two tons each. The rails, which weigh 14 lbs. per yard, are of steel, and of the ordinary section adopted for the Decauville system. This contract, although quite an extensive one, will be filled in two months after the date of order."

 each.

HOUSE

FOUNDED

75, DE CHOISY

MEUNIER.

IN 1760.

AVENUE, PARIS.

LOMBART CHOCOLATE.

In 1760, under Louis XV., Mr. MEUNIER took up his residence on *Vieilles-Etuves Saint-Honoré* Street, near the Du Trahoir Cross, now known as the *Fontaine de l'Arbre Sec*.

This locality was the birth-place of the Chocolate Industry; for it was there that, some years earlier, an officer of Maria-Theresa, wife of Louis XIV., obtained, through the influence of the Queen, the monopoly of its manufacture, and introduced it in France.

In 1789, King Louis XVI. made MEUNIER purveyor by appointment to her Royal Highness Victoire de France.

In 1804, Grimod de la Reynière perpetuates, in his *Almanach des Gourmands*, the high reputation acquired by the "HOUSE MEUNIER;" he declares that he considers it "as one of the two or three which alone make good chocolate;" and in his edition of the same *Almanach* for the year 1807, he states "that the Chocolate Meunier is much superior to that made in Florence and other Italian cities."

In 1814, Her Royal Highness the Duchess of Angoulême selected Meunier as her purveyor by appointment.

The prosperity of the Firm thence continually increased.

It was in 1852, that the *Gazette des Hôpitaux* called attention to Meunier by quoting a report of the Directors of the Medical Faculty, which ends as follows: "We do not judge of the value of the chocolate of the House Meunier, but by the Results which we have obtained from it, and we do not recommend any other," &c.

Finally, from 1849 to 1880, the following awards were granted to the Firm:—

KNIGHT OF THE LEGION OF HONOUR.

PARIS EXHIBITIONS, 1849, 1855, 1867, and 1873, Bronze, Silver, and Gold Medals. 1873, Vienna Exhibition, Medal of Merit. 1874, Marseilles Exhibition, Gold Medal. 1876, Medal, Philadelphia Centennial Exhibition. 1876, Gold Medal of the First Class, National Academy. 1878, Class 52, Two Medals for Patent Machines for weighing and systematic cooling of Chocolate. 1878, Class 74, Out of competition, Member of the Jury. 1879, Grand Diploma of Honor, National Academy. 1880, First Order of Merit (Two Silver Medals), Melbourne (Australia) Exhibition.

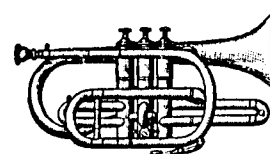

Such are the points which recommend the use of Lombart Chocolate to the confidence of the public.

Mr. Lombart, for twenty-five years the proprietor of the Meunier Manufacture, has ever followed in the steps of his predecessor, and has added to his industry all the improvements which his long experience, aided by the advance of science, has suggested.

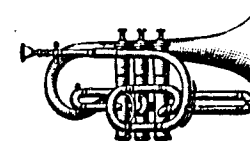

THE MANUFACTORY, NOW WORKING AT NO. 75, DE CHOISY AVENUE, IS THE MOST EXTENSIVE IN PARIS.

The House Lombart imports Teas direct from China. It only sells black teas carefully selected and of extra quality.

Black Teas are the only ones, according to the Medical Faculty, which are wholesome. See in reference hereto the reports of Doctors TROUSSEAU and PAYEN.

FRANCE.

A. LECOMTE & CO.,
Musical Instrument Makers,
12 RUE SAINT GILLES,
PARIS.

All Instruments Warranted of Perfect Make, as well as in good Pitch and Tone.

THE Official Report of the International Board of Examination for the Paris Exhibition of 1867 (reporter, Mr. Fétis) speaks highly of the Instruments manufactured by this firm, as can be seen by the following extracts from the second volume of said Report:

"FRENCH HORNS.—....The best Instruments of the kind seem to be those of....and A. LECOMTE & Co."

"CORNETS.—The Board has noticed, amongst the most satisfactory for sound and good tune, the Cornets of....as well as those of A. LECOMTE & Co."

"TROMBONES.—The best Trombones, with slides, in the Exhibition, are those of....A. LECOMTE & Co."

"BUGLES OR SAXHORNS.—The best Saxhorns or Bugles, of soprano tones, contralto, tenor, baritone, bass and contrabass, either for force of sound or for good tune and purity of tone, are those of....A. LECOMTE & Co."

"CLARIONETS.—Very good Clarionets, large and small, have been exhibited by....and A. LECOMTE & Co."

Such extracts, better than any emphatical speech, explain the increasing success of this firm, who, established only since 1860, spare no expense or trouble in order to obtain always the most perfect musical instruments.

All kinds of Musical Instruments in Brass, Wind, Wood and Stringed; Strings, Fittings, and Accessories for Makers, such as valves, bells, &c., all of the finest workmanship.
