LICENSING ACT.

INSTRUCTIONS TO LICENSEES AND APPLICANTS.

RENEWALS—PUBLICANS AND COLONIAL WINE.—Licensees should before the expiration of their existing licenses send their application for renewal, together with the old license, to the District Inspector, at least ten days before it is to be heard at the Licensing Court. (Sub-Inspector Lenthall, Woolloomooloo Police Station, is the Metropolitan District Inspector). Applicants need not attend the Court unless they receive notice of objection, but they should, before the expiry of the license, obtain the certificate of renewal from the Court, which must be taken to the Treasury, and the fee paid.

PUBLICANS NEW, CONDITIONAL, AND COLONIAL WINE.—Applications can only be entertained at the Quarterly Meetings, held in January, April, July, and October, the exact days always being advertised. Fourteen days' notice is required. Three copies of application must be lodged in Court, one sent to the District Inspector, one posted on the outside door (in the case of existing premises) and an advertisement inserted in one newspaper, published in the district, not less than seven days prior to the meeting. Applicants must attend the Court and produce advertisement.

BREWERS AND SPIRIT MERCHANTS.—Application to be lodged in Court, giving sufficient time for the report of the notice to be obtained. Renewals of these licenses can be obtained on expiry by lodging the old license at the Treasury, and paying the fee for renewal. Applicants must attend the Court when first applied for.

PACKET LICENSES are obtained on application to the Water Police Court upon giving sufficient notice to allow the police to report, which requires about seven days. Applicants need not attend the Court unless the application is objected to.

TRANSFERS.—Applications to transfer are to be made to the Court in sufficient time to allow the Police to inquire and report (say seven days in ordinary cases). Transferor and transferee are both required to attend the Court. £2 fee must be paid before hearing.

REMOVALS can only be entertained at the quarterly meetings, and the same notices are required as for a new or conditional license.

BOOTH OR STAND LICENSES are obtained by application to the Court in time to allow the Police to report. If granted the fee of £2 must be paid to the Treasury, with the Court certificate. Three renewals can be obtained without further fee, but the permit cannot be granted for more than seven days at one time, and the license wholly expires at the end of twenty-eight days. In the case of new or conditional applications for publicans' licenses, where the Local Option Vote in the locality is in the negative, it is useless to ask for such, unless the proposed premises contain at least thirty rooms, *i. e.*, twenty-six rooms for the use of the public, and decent accommodation for the family of the licensee; and even then it is entirely optional with the Licensing Court to grant or refuse. In the Metropolitan Licensing District the Court days are on Tuesdays at the Central Police Court, and Thursdays at the Water Police Court, at 12 noon, for business other than that which can only be taken at the quarterly meetings.

MUSIC PERMITS can be granted by any Licensing Magistrate, but in Sydney they are only usually granted on the weekly Court days.

Letters addressed to any part of the Kingdom of Italy will be forwarded in a direct Mail at the following rates:—

Not exceeding $\frac{1}{2}$ oz.	s. d.

Every additional $\frac{1}{2}$ oz., or fraction of $\frac{1}{2}$ oz. ..	1 2
	0 7

FRY'S COCOA is the best.

Registered letters for Italy may also be forwarded by this route, upon payment of the usual Colonial registration fee of 4d.; but no letter or other packet containing either gold or silver money, jewels, or precious articles, or any other article whatever liable to Customs' duties, is allowed to be sent.

Letters addressed to Turkey and Syria will be forwarded in the mail for Suez for transmission thence by French packets to Jaffa upon prepayment of the rates specified.

Letters posted without being marked to be forwarded by any special route, or posted without sufficient postage for the route marked thereon, will be sent at the discretion of the Department.

All correspondence for the Continent of Europe must be distinctly marked for the route by which it is intended to be sent. If not so marked, and not having sufficient postage stamps to prepay it to destination by the most expeditious route, it will be forwarded by the route for which it is sufficiently prepaid. But if the stamps thereon are not enough to send it as a paid letter by any route, it will be dealt with as wholly unpaid.

Postmasters are expected to see that all registered letters for the Continent are properly prepaid, and the route endorsed thereon before registering, as failure in these respects renders them liable to be charged with the deficiency.

IX.—PREPAYMENT OF POSTAGE

The postage upon all letters, packets, and newspapers must be prepaid by affixing stamps thereon. But where any postmaster shall not have stamps of the requisite value for sale, the postage may be paid in coin, and shall be acknowledged by such postmaster on the face or cover of the letter, packet, or newspaper.

Town and country letters or packets bearing one postage stamp will be regularly transmitted; but double the amount of postage omitted to be paid will be charged on delivery.

Letters addressed to certain places beyond the colony and in some cases of foreign countries sent through England, will be forwarded even if posted wholly unpaid.

Letters addressed to the United States, Canada, Honolulu, Hongkong, India, Egypt, Ceylon, Straits Settlements, Mauritius, Seychelles, and China, will be forwarded if a single rate is prepaid, the deficient postage, together with a fine equal to a single rate, being charged on delivery.

Letters for all places not specially excepted as above, not bearing single rate, will be returned to the senders.

X.—EXEMPTION FROM POSTAGE

Members of the Executive and Legislative Councils, also of the Legislative Assembly, may receive, by the post, petitions and addresses to Her Majesty and to His Excellency the Governor, and Petitions addressed to either the Executive or Legislative Council, or the Legislative Assembly, not exceeding thirty-two ounces in weight, exempt from postage. Provided such petitions and addresses be sent without covers, or in covers open at both ends.

XI.—RE-DIRECTION

1. AS REGARDS THE COLONY OF NEW SOUTH WALES ITSELF.—All letters, post-cards, and packets are, when re-directed, liable to additional charge for each re-direction from or to any post office or place in the colony, which will be collected on delivery. Letters posted to any office in the colony, with endorsement on the envelope, 'If not delivered or claimed within fourteen days, re-address to ———' (here state where letter is to be sent, and to whom to), will be re-addressed accordingly, and charged re-direction fee.

Newspapers are re-directed free of charge, except to Queensland, to which place a charge of 1d. each is made.

2. AS REGARDS CERTAIN OTHER PARTS OF THE WORLD.—Letters and packets may be re-directed to China, Fiji Islands, Hong Kong, Honolulu, New Zealand, Queensland, United Kingdom, United States, Victoria, and Western Australia, without prepayment of additional postage, which will, however, be charged on delivery, and to South Australia and Tasmania free of charge.

Letters, Packets, &c., cannot be re-addressed to any place other than those mentioned above unless the amount of postage is prepaid.

NOTE.—Notice of removal, and applications for letters, &c., to be re-directed, must in all cases be signed by the person to whom the correspondence is addressed.

It is a good plan, to prevent mistakes, to advise correspondents of intended removal, and have the letters, &c., directed to the new address.

Persons sending their addresses to be recorded should note that it will only last for six months and it should be carefully stated whence letters are accepted.

XII.—REGISTRATION OF LETTERS

Any person can have a letter registered by affixing on it, by means of the proper stamps, the amount of the registration fee, in addition to the proper postage, and presenting it at a post office during office hours, when a receipt for the same will be given, and every precaution will be adopted to insure its safe delivery by entering it on the letter bills, and obtaining a receipt for the same on delivery. As the post office, however, is not responsible for the loss of any letter, whether registered or otherwise, parties sending Bank notes or drafts are advised to take the numbers and particulars, and to cut such notes or drafts in halves, and to send them by different posts.

The registration fee to all places not mentioned in Table A, is 4d., and stamped registered-letter envelopes can be purchased by the public at 4d. each.

It should be borne in mind that the impressed stamp which the envelope bears represents the registration fee only (4d.), and that the postage must be prepaid by affixing the necessary stamps.

A letter enclosed in one of these envelopes must not be dropped into a letter box, but must be given to an officer of the post office to be registered, and a receipt obtained for it.

Should any letter, containing or appearing to contain coin or other valuables, not be registered by the sender, this will be done by the Department, the registration fee (or in the case of letters to or from the United Kingdom a double registration fee) being charged on delivery.

Letters or packets containing either gold or silver money, jewels, or precious articles, or any other article whatever liable to Customs' duties, are not allowed to be sent by post, registered or otherwise, to any of the following places:—

BOOK PACKET REGULATIONS

1. A book packet may contain any number of separate books or other publications (including printed or lithographed letters, bank pass-books, returns, deeds, affidavits, policies of assurance, depositions, recognisances, powers of attorney), photographs (when not on glass or in cases containing glass or any like substance), drawings, prints, or maps, and any quantity of paper, or any other substance in ordinary use for writing or printing upon; and the books or other publications, prints, maps, &c., may be either printed, written, engraved, lithographed, or plain, or any mixture of these. Further, all legitimate binding, mounting, or covering of a book, &c., or of a portion thereof, is allowed, whether such binding, &c., be loose or attached; as also rollers in the case of prints or maps, markers (whether of paper or otherwise) in the case of books, pens or pencils, in the case of pocket books, &c., and, in short, whatever is necessary for the safe transmission of such articles, or usually appertains thereto; but the binding, rollers, &c., must not be sent as a separate packet. Provided that no packet containing valuable money enclosures (such as cheques, drafts, bank notes, &c.) can be transmitted at book packet rates of postage, but must be paid for as a letter.

Circulars,—i.e., letters which are intended for transmission in identical terms to several persons, and the whole or the greater part of which is printed, engraved, or lithographed, may also be sent by book post.

2. A book packet may not contain any letter, or communication of the nature of a letter (whether separate or otherwise), unless it be a circular-letter or be wholly printed; nor any enclosure sealed or closed against inspection; nor any other enclosure not allowed by Rule 1. If this rule be infringed, the entire package is charged as a letter.

3. A book packet may be posted either without a cover (in which case it must not be fastened whether by means of gum, water, sealing wax, postage stamp, or otherwise), or in a cover sufficiently open at both ends, or entirely open at one end or side, or with the flap left unsealed as to admit of the contents

being easily withdrawn for examination; otherwise it is treated as a letter. For the greater security of the contents, however, it may be tied at the ends with string, postmasters being authorised to cut the string in such cases, although if they do so they must again tie up the packet. *The foregoing will not apply to official returns forwarded from one Government officer to another, which may be transmitted in close covers, provided the covering envelope bears an endorsement signed by the sender, that the packet contains 'Official Returns only.'*

4. No book packet may be above three pounds in weight, nor above two feet in length, one foot in width, or one foot in depth, unless it be sent to or from one of the Government offices. The limit of weight is not the same to all countries.

5. When, owing to a great and unusual influx of letters, books, &c., the transmission or delivery of the letters would be delayed if the whole mail were dealt with without distinction, book packets may be kept back till the next despatch or delivery.

6. Any packet posted in fraud or violation of the post office statute or regulations, or of any Act of the customs, or containing any letter or epistolary communication, or having less than one rate prepaid as a packet not exceeding two ounces in weight, or which shall have no postage, or less than one rate of postage, in accordance with the rate chargeable thereon, or shall contain or have on the outside thereof any profane, obscene, or libellous address, signature, picture, or thing, must be sent to the dead letter office forthwith.

7. Packets containing returns of births, baptisms, marriages, and deaths may be transmitted unstamped, the postage being paid upon delivery, if marked as containing such returns only, and signed by the clergyman or the district registrar transmitting them.

* Entries merely stating who sends the book, &c., or to whom it is given, are not regarded as a letter.

† It is the duty of postmasters, whenever they have ground for suspecting an infringement of any of the above conditions and occasionally, even when there is no ground for suspicion to open and examine book packets posted at, or passing through their office.

‡ In order to secure the return of book packets which cannot be delivered, the names and addresses of the senders should be printed or written outside thus: 'From ——— of ———.'

PATTERN AND SAMPLE POST REGULATIONS.

1. The pattern and sample post is restricted to *bona fide* trade patterns or samples of merchandise. Goods sent for sale or in execution of an order (however small the quantity may be), or any articles sent by one private individual to another which are not actually patterns or samples, are not admissible.

2. Patterns or samples, when practicable, must be sent in covers open at the ends and in such a manner as to be easy of examination.† But samples of seeds, drugs, and such like articles, which cannot be sent in covers of this kind (but such articles only), may be posted enclosed in boxes, or in bags of linen or other material fastened in such a manner that they may be readily opened; or, in the case of samples of seeds, &c., in bags entirely closed, provided such closed bags are transparent, so as to enable the officers of the post office readily to satisfy themselves as to the nature of the contents.

3. There must be no writing or printing upon or in any packet except the address of the person for whom it is intended, the address of the sender, a trade mark or number, and the price of the article.

4. Packets containing samples or trade patterns above sixteen ozs. in weight, or exceeding two feet in length, one foot in width, or one foot in depth (unless it be sent to or from one of the Government offices), or reasonably suspected to contain articles likely to injure the other portions of the mail, or the person of any officer or servant of the post office, may be refused. The limit of weight is not the same in all countries.

5. Packets containing seeds, not sent as samples, may be forwarded as inland packets only; such packets must not, however, exceed eight ounces in weight, and must be packed in the manner described in regulation 2.

6. Any packet posted in fraud or violation of the post office Statute or Regulations, or of any Act of the Customs, or containing any letter or epistolary communication, or having less than one rate prepaid as a packet not exceeding two ounces in weight, or which shall have no postage, or less than one rate of postage, in accordance with the rate chargeable thereon, or shall contain or have on the outside thereof, any profane, obscene, or libellous address, signature, picture, or thing, must be in Table A.

7. The regulations as to weight are not the same to all Foreign Countries.

NEWSPAPERS

1. Newspapers printed and posted within the colony are transmitted free of charge, excepting newspapers posted at any post office or receiver in Sydney, for delivery within the boundaries of the city, and newspapers posted after seven days from the date of publication, which are subject to a charge of one penny each.

2. Newspapers received from beyond the colony, *stitched in monthly parts*, are, when re-posted, subjected to the charge of one penny for every number contained therein.

3. Bulk parcels containing newspapers over seven days old, or printed out of the colony and posted by registered newspaper publishers or by news-vendors for transmission within the colony, or for other Australian colonies (except Queensland), New Zealand, Fiji, and New Guinea (British), are charged one penny per pound or fraction thereof.

4. Newspapers for the United Kingdom are chargeable with one penny each, if intended for transmission by Mail Packet via San Francisco, Brindisi, Marseilles, and Torres Straits, or per direct ships.

5. Newspapers for the neighbouring colonies are transmitted free of charge (provided they are papers published in New South Wales, and not over 7 days old), and all newspapers from such places received in the colony are delivered without charge.

6. The postage chargeable on newspapers must be paid by affixing stamps of sufficient value, and no newspaper will be forwarded unless it bears the full amount of postage.

7. Newspapers, on being re-directed by Postmasters, are not liable to additional postage.

8. Newspapers may be posted at the General Post Office for the West to 7 a.m. and 3 p.m., and South to 7.30 a.m. and 3 p.m.; and for the North by 6 p.m.

For despatch by intercolonial mails, per steamers, one hour previous to the time fixed for posting letters.

SAMPLE POST

As considerable misunderstanding exists as to the intention of this regulation, it is deemed necessary to explain that the only object of it is to afford certain trade facilities, and not to provide for the general conveyance of articles of merchandise from any one individual to another. For instance, under this clause as it now stands any merchant or warehouseman can send a pattern or sample (even if it has an intrinsic value) to any other merchant or warehouseman for the purpose of aiding in the disposal of a quantity of the article so sampled; but it is not intended that any merchant or warehouseman shall under this regulation send through the post any article sold to a purchaser. In working this regulation, obviously much must be left to the honesty of the persons making use of this post as regards the articles being *bond fide* patterns or samples, but postmasters and others can in most cases readily decide whether an article sent is likely to be a sample from one merchant or warehouseman to another, or an article sent in execution of an order from one individual to another.

In order to secure the return of pattern packets which cannot be delivered, the name and addresses of the senders should be printed or written *outside*; thus, 'From — of —.'

Patterns or samples of merchandise for transmission by post within the colony can be accompanied by a printed descriptive catalogue or printed advertisement from the senders, provided the ends of the packet are left open for inspection of contents, and they are otherwise posted in accordance with the Pattern and Post Sample Regulations.

MISCELLANEOUS RULES, &c.

The pattern and sample post within the colony of New South Wales, and between it and the neighbouring colonies, is restricted to *bond fide* patterns or samples of merchandise, which must not exceed 16 ozs. in weight, and packets of seeds must not exceed 8 ozs.

Packets from the United Kingdom on which insufficient postage has been paid and the deficiency and a fine charged to the addressee can be returned within forty-eight hours of delivery if unopened and marked 'Refused,' and on being so returned the surcharge will be refunded.

Travellers' bills or accounts cannot be sent at packet rates, but must be prepaid in postage stamps at letter rates.

Duty stamps cannot be used as postage stamps.

Arrangements have been made by which firms, &c., may print their names on the back of postage stamps, or perforate their initials 'a' each stamp by means of any machines submitted to and approved of by the Postmaster-General. Postage stamps so marked must not be purchased by any postmaster or other person, as the object of placing a private mark thereon is to prevent stamps being stolen and sold.

Stamps with the letters 'O.S.' marked thereon in black are issued for the use of Government officials under the following regulations:—

1. Postage stamps having the letters 'O.S.' printed thereon are only available for official letters, the envelopes of which must bear the endorsement 'O.H.M.S.' with the name of the Department (or Branch thereof) from which they are sent, in the corner; or, in the case of letters addressed to a Department, the name of the sender written in the corner; and, in

default of this being done, letters stamped with 'O.S.' stamps will be opened, under the provisions of the Postage Act, and returned to the senders.

2. Under no pretext whatever will those stamps be supplied to postmasters or be sold by postmasters, or be purchased or exchanged for other stamps at any post office.

3. Public officers in the country will not be able to procure 'O.S.' stamps from the country postmasters, but can obtain them from the head of their Department in Sydney, to whom they will be supplied on requisition in the usual manner.

PURCHASE OF POSTAGE STAMPS AND STAMPED ENVELOPES FROM THE PUBLIC

New South Wales postage stamps, not soiled, damaged, marked on the back with the name of the firm, &c., in print, or with perforated initials, will be purchased by the Cashier of the General Post Office, in lots of not less value than £1, and all postmasters in the colony will be permitted to afford the public a similar convenience. The charge for this accommodation is 5 per cent.

Spilled but unused stamped envelopes will be purchased by the cashier of the General Post Office in lots bearing stamps to the value of not less than £1. A discount of 10 per centum will be charged for the accommodation.

LICENSES TO SELL POSTAGE STAMPS

Any respectable person, not in the service of the Post Office or Telegraph Department, wishing for a license to sell postage stamps for the convenience of the public should make written application to that effect to the Secretary of the General Post Office.

Licenses are revocable at pleasure, and only authorize the sale of stamps at the house or shop mentioned in the license.

Letters from licensed vendors of postage stamps containing remittances for stamps should be addressed to the 'Cashier General Post Office,' and marked 'From (name), Licensed Stamp Vendor (address).' Such letters must, however, be prepaid as ordinary letters, but postmasters will register them free of charge.

Official cards will be sold at the rate of one penny each. The impressed stamp of a postal card cannot be used as a postage stamp.
- For information as to the conditions under which printed cards may be impressed, application can be made to the secretary to the post office.
- Reply Post Cards, that is, double cards, each half of which has a penny stamp impressed thereon, one half being intended for
