18s. 5d. on 30th June, 1886; the amount of balances due by borrowers and land
purchasers has increased in the same period from £26,688 18s. 5d. to £60,658 15s. 1d.,
while the total receipts from all sources show the marvellous increase of upwards of
£100,000 over the previous year. . . . The balance to the credit of Profit and Loss
account of June 30th last was £10,784 18s. 4d. Out of this the Directors carried the sum
of £9,473 to the RESERVE FUND, which now stands at £10,000. A dividend of an equal
rate to the interim dividend paid in January last, viz., 14 per cent. per annum, was also
paid. The fully paid-up shares, in accordance with the articles of association, received
1 per cent. in addition, making a total of 15 per cent. per annum."

NEW ISSUE OF SHARES.

The unsubscribed balance of the authorized Capital is now on the market at a very
moderate premium. Full particulars and all information respecting the Society's business
obtainable at the Office, No. 95, Market Street, Sydney.
