GREAT TEST OF

SKIDMORE'S SAFES,

In Huddersfield (England), before 1,500 persons.

Extract from the "Huddersfield Chronicle," of May 28, 1886.

The Agents of the Firm of **SKIDMORE & SON** held a  
**Great Test Against Fire**

In the Fair Ground, Huddersfield, on May 24, last year, of one of their  
 ordinary 28-inch Fire-proof Book Safes. At ten o'clock, a.m., the safe  
 was buried in an immense fire, consisting of one ton of wood and two  
 tons of coal, and remained there for three hours. The heat of the fire  
 was intense, being one mass of red-hot coals, and it was the general opinion  
 that the test had been overdone, and that the contents of the safe, consisting  
 of memorial cards and 2,000 envelopes and other documents, would be  
 destroyed.

At one o'clock, before upwards of 1,500 persons, the members of the  
 Police Fire Brigade, in the presence of the chief constable, extinguished  
 the fire, and the safe was, after much difficulty, extricated from the debris  
 and opened, and the whole of the documents were produced.

IN PERFECT CONDITION.

**Instructions to Licensees and applicants**

**RENEWALS**—PUBLICANS AND COLONIAL WINE.—Licensees should before the expiration of their existing licenses send their application for renewal, together with the old license, to the District Inspector, at least ten days before it is to be heard at the Licensing Court. (Inspector Lenthall, Woolloomooloo Police station, is the Metropolitan District Inspector.) Applicants need not attend the Court unless they receive notice of objection, but they should, before the expiry of the licence, obtain the certificate of renewal from the Court, which must be taken to the Treasury, and the fee paid.

**PUBLICANS NEW, CONDITIONAL, AND COLONIAL WINE.**—Applications can only be entertained at the Quarterly Meetings, held in January, April, July and October, the exact days always being advertised. Fourteen days' notice is required. Three copies of application must be lodged in Court, one sent to the District Inspector, one posted on the outside door (in the case of existing premises) and an advertisement inserted in one newspaper, published in the district, not less than seven days prior to the meeting. Applicants must attend the Court and produce advertisement.

**BREWERS AND SPIRIT MERCHANTS.**—Applications to be lodged in Court, giving sufficient time for the report of the notice to be obtained. Renewals of these licenses can be obtained on expiry by lodging the old license at the Treasury, and paying the fee for renewal. Applicants must attend the Court when first applied for.

**PACKET LICENSES** are obtained on application to the Water Police Court upon giving sufficient notice to allow the police to report, which requires about seven days. Applicants need not attend the Court unless the application is objected to.

**TRANSFERS.**—Applications to transfer are to be made to the Court in sufficient time to allow the police to inquire and report (say seven days in ordinary cases). Transferor and transferee are both required to attend the Court. £2 fee must be paid before hearing.

**REMOVALS** can only be entertained at the quarterly meetings, and the same notices are required as for a new or conditional license.

**BOOTH OR STAND LICENSES** are obtained by application to the Court in time to allow the police to report. If granted the fee of £2 must be paid to the Treasury, with the Court certificate. Three renewals can be obtained without further fee, but the permit cannot be granted for more than seven days at one time, and the license wholly expires at the end of twenty-eight days. In the case of new or conditional applications for publicans' licenses, where the Local Option Vote in the locality is in the negative, it is useless to ask for such, unless the proposed premises contain at least thirty rooms, i.e., twenty-six rooms for the use of the public, and decent accommodation for the family of the licensee; and even then it is entirely optional with the Licensing Court to grant or refuse. In the Metropolitan Licensing District the Court days are on Tuesdays at the Central Police Court, and Thursdays at the Water Police Court, at 12 noon, for business other than that which can only be taken at the quarterly meetings.

**MUSIC PERMITS** can be granted by any Licensing Magistrate, but in Sydney they are only usually granted on the weekly Court days.

# THE National Cabinet Letter File

Will pay for itself in saving of  
Clerks' time.

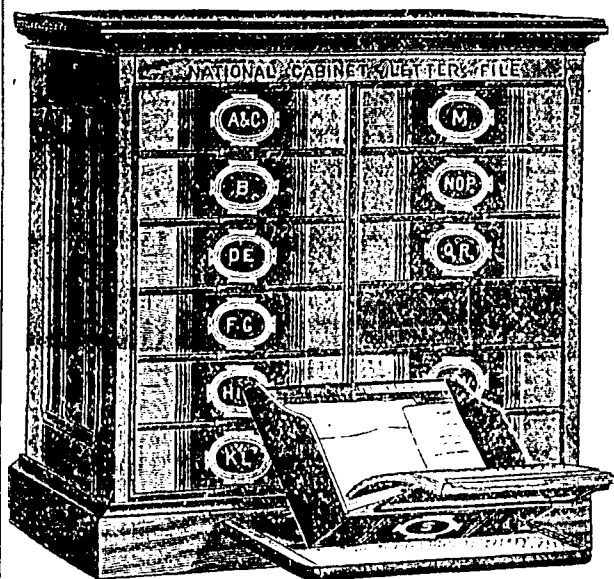

ILLUSTRATION  
Shows a 12 File Cabinet, capable of hold-  
ing 8,000 Papers when full.

Embodies the most **Complete System of Filing** Letters and Papers of any and every description used in any class of Business. It is not a luxury, but a **Labour-saving Convenience** which no business house can afford to be without.

It is as essential to the proper conduct of a well-regulated business as the Vault or Safe, the Office Desk, or the Copying Book, **Because** papers to be filed can be put away in their proper places without Folding, Numbering, or Manipulating in any way whatever, **in a moment**; and when required again for reference they can be found just as quickly—**instantly**—even if five years old.

These Cabinets are made in all sizes, from one of Six Drawers, which will accommodate a correspondence of Twelve or Fifteen Letters a day, up to one containing Seventy-five Drawers, which will suit One Hundred and Fifty Letters a day.

LARGER SIZES MUST BE SPECIALLY ORDERED.

Full description of these Cabinets cannot be given in space of an advertisement, therefore inspection is invited.
