

# PREFACE.

JOHN SANDS has again the pleasure of introducing his SYDNEY AND SUBURBAN DIRECTORY to the general public of Sydney and neighbourhood, and for their guidance would respectfully submit the following key in order to facilitate reference.

The GENERAL INDEX (page v) is an alphabetically arranged list of every item in the book. Immediate reference to this would save much trouble and time.

The CITY STREETS DIRECTORY (pages 1 to 124), arranged in alphabetical order of names of streets, shewing where they commence, the intersecting and terminal streets, together with the numbers of the houses in the main thoroughfares. This will be found very useful in tracing the exact locality of the more obscure and smaller houses.

The SUBURBAN DIRECTORY (pages 125 to 473) is compiled on the lines of the City streets, as far as possible. The respective Municipalities and Suburbs are shewn in alphabetical order with their boundaries, together with the rates, official lists, &c., collated up to date of collection.

The ALPHABETICAL DIRECTORY (pages 474 to 974) contains the institutions, business, professional and private persons resident in Sydney and suburbs arranged in alphabetical order in the following sequence :—Where entries commence with the same surname institutions and public bodies take precedence ; next come the names of public companies, followed by partnership firms, then the names of individual business and professional people, and lastly private persons.

The TRADES AND PROFESSIONAL DIRECTORY (pages 975 to 1156) contains lists of the trading and professional community only. Index of headings will be found at pages xxix to xxxiii. As much difficulty is experienced in gaining full and accurate information for this Section it has been considered expedient to classify them according to the instructions given to the canvassers. A reference to similar trades being placed under each heading.

A list of leading European Manufacturers will be found at pages 1157 to 1159.

The MISCELLANEOUS DIRECTORY (pages 1160 to 1215) includes Governmental and Parliamentary Lists, Civil, Naval, Military, and Ecclesiastical information, kindly revised to the latest dates by Government and other officials, to whom the publisher tenders his best thanks

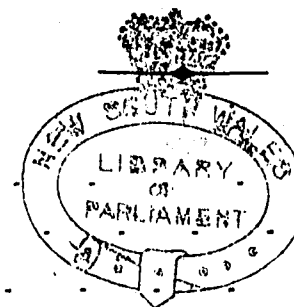

A list of firms with fixed pay days (at pages 1207 to 1213), and also a list of firms connected with the Telephone Exchange (pages 1191 to 1200), will, no doubt, be found useful in business circles.

With this issue the publisher has the pleasure of presenting beautifully coloured plans of the suburbs of Enfield, Strathfield, Victoria, Hunter's Hill, St. Leonards, and St. Leonards East. These will, no doubt, be fully appreciated.

Whilst thanking the subscribers and the public generally, the publisher begs to say that the whole of the information has been COLLECTED, COMPILED, AND PRINTED BY A STAFF RESIDENT IN AND KNOWING THE CITY AND SUBURBS, therefore this edition should be as complete and reliable as it is possible to render so voluminous a work.

SPECIAL.—Corrections for the 1891 edition should be forwarded not later than the first week in October, 1890. Communications connected with DIRECTORIES to be addressed to "Compiler," SANDS'S DIRECTORIES, 374 George street, Sydney.

*Instructions to Licensees and Applicants*

RENEWALS—PUBLICANS AND COLONIAL WINE.—Licensees should, before the expiration of their existing licenses, send their application for renewal, together with the old license, to the District Inspector, at least ten days before it is to be heard at the Licensing Court. (Inspector Lenthall, Woolloomooloo Police station, is the Metropolitan District Inspector.) Applicants need not attend the Court unless they receive notice of objection, but they should, before the expiry of the license, obtain the certificate of renewal from the Court, which must be taken to the Treasurer, and the fee paid.

PUBLICANS NEW, CONDITIONAL, AND COLONIAL WINE.—Applications can only be entertained at the quarterly meetings, held in January, April, July and October, the exact days always being advertised. Fourteen days' notice is required. Three copies of application must be lodged in Court, one sent to the District Inspector, one posted on the outside door (in the case of existing premises) and an advertisement inserted in one newspaper, published in the district, not less than seven days prior to the meeting. Applicants must attend the Court and produce advertisement.

BREWERS AND SPIRIT MERCHANTS.—Applications to be lodged in Court, giving sufficient time for the report of the notice to be obtained. Renewals of these licenses can be obtained on expiry by lodging the old license at the Treasury, and paying the fee for renewal. Applicants must attend the Court when first applied for.

PACKET LICENSES are obtained on application to the Water Police Court upon giving sufficient notice to allow the police to report, which requires about seven days. Applicants need not attend the Court unless the application is objected to.

TRANSFERS.—Applications to transfer are to be made to the Court in sufficient time to allow the police to inquire and report (say seven days in ordinary cases). Transferor and transferee are both required to attend the Court. £2 fee must be paid before hearing.

REMOVALS can only be entertained at the quarterly meetings, and the same notices are required as for a new or conditional license

BOOTH OR STAND LICENSES are obtained by application to the Court in time to allow the police to report. It granted the fee of £2 must be paid to the Treasury, with the Court certificate. Three renewals can be obtained without further fee, but the permit cannot be granted for more than seven days at one time, and the license wholly expires at the end of twenty-eight days. In the case of new or conditional applications for publicans' licenses, where the local option vote in the locality is in the negative, it is useless to ask for such, unless the proposed premises contain at least thirty rooms, i.e., twenty-six rooms for the use of the public, and decent accommodation for the family of the licensee; and even then it is entirely optional with the Licensing Court to grant or refuse. In the Metropolitan Licensing District the Court days are on Tuesdays at the Central Police Court, and Thursdays at the Water Police Court, at 12 noon, for business other than that which can only be taken at the quarterly meetings.

MUSIC PERMITS can be granted by any licensing magistrate, but in Sydney they are only usually granted on the weekly Court days.
