

PREFACE.

JOHN SANDS has again the pleasure of introducing his SYDNEY AND SUBURBAN DIRECTORY to the general public of Sydney and neighbourhood, and for their guidance would respectfully submit the following key in order to facilitate reference.

The GENERAL INDEX (page VI) is an alphabetically arranged list of every item in the book. Immediate reference to this would save much trouble and time.

The CITY STREETS DIRECTORY (pages 1 to 121), arranged in alphabetical order of names of streets, shewing where they commence, the intersecting and terminal streets, together with the numbers of the houses in the main thoroughfares. This will be found very useful in tracing the exact locality of the more obscure and smaller houses.

The SUBURBAN DIRECTORY (pages 121 to 457) is compiled on the lines of the City streets, as far as possible. The respective Municipalities and Suburbs are shewn in alphabetical order with their boundaries, together with the rates, official lists, &c., collated up to date of collection.

The ALPHABETICAL DIRECTORY (pages 458 to 870) contains the institutions, business, professional and private persons resident in Sydney and suburbs arranged in alphabetical order in the following sequence:—Where entries commence with the same surname institutions and public bodies take precedence; next come the names of public companies, followed by partnership firms, then the names of individual business and professional people, and lastly private persons.

The TRADES AND PROFESSIONAL DIRECTORY (pages 871 to 1066) contains lists of the trading and professional community only. Index of headings will be found at pages xxix to xxxiii. As much difficulty is experienced in gaining full and accurate information for this Section it has been considered expedient to classify them according to the instructions given to the canvassers. A reference to similar trades being placed under each heading.

A list of leading European Manufacturers will be found at pages 1066 to 1068.

The MISCELLANEOUS DIRECTORY (pages 1069 to 1098) includes Governmental and Parliamentary Lists, Civil, Naval, and Military information, kindly revised to the latest dates by Government and other officials to whom the publisher tenders his best thanks

A list of firms connected with the Telephone Exchange (pages 1081 to 1092), will, no doubt, be found useful in business circles.

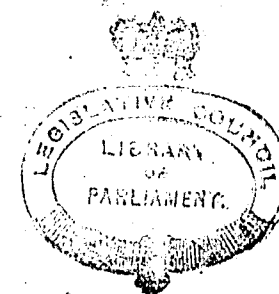

With this issue the publisher has the pleasure of presenting a beautifully-coloured Map of Sydney arranged in Wards, together with a complete Streets Index of same.

The Suburban Maps which have hitherto been presented with the work, will not be given this year, but can be obtained from Messrs. HIGINBOTHAM & ROBINSON of Wentworth Court, Elizabeth st. They comprise the boroughs of Concord, Drummoyne, Dundas, Five Dock, Ryde, and Woollahra

Whilst thanking the subscribers and the public generally, the publisher begs to say that the whole of the information has been COLLECTED, COMPILED, AND PRINTED BY A STAFF RESIDENT IN AND KNOWING THE CITY AND SUBURBS, therefore this edition should be as complete and reliable as it is possible to render so voluminous a work.

SPECIAL.—Corrections for the 1892 edition should be forwarded not later than the first week in October, 1891. Communications connected with DIRECTORIES to be addressed to "Compiler," SANDS'S DIRECTORIES, 374 George street, Sydney.

374 GEORGE STREET, SYDNEY,
January, 1891.

A Great Success.

AN INVALID FOR 12 YEARS.

Mrs. Fanny Dent, wife of a gentleman employed in the Lambton Collieries, kindly allows us to publish the following facts of her interesting case and wonderful recovery, which we gather from her correspondence, and which we shall be glad to allow anyone to peruse who wishes to do so.

Mrs. Dent had been in a state of extreme debility for TWELVE YEARS, frequently quite

Unable to do Any Work,

the lightest kind causing great fatigue, with severe pains in the limbs, back and left side. So severe was the pain that she would have to sit or lie down frequently. Walking exercise was very trying and she could

Only Walk very Slowly.

She had long seen CLEMENTS TONIC advertised but like many more people her husband was prejudiced against "patent medicines," but (now we use her own words) "I knew some one who had tried Clements Tonic, and I decided to get

A Bottle on the Quiet

and say nothing about it if it did me no good. The effect I thought

Something Wonderful.

I felt better after the first dose, and by the time I had taken half a bottle I was a different woman. My husband, friends and neighbours soon noticed the change in me, and they could not make it out. I had to tell the truth that it was CLEMENTS TONIC that

Was Making Me Strong,

I could not keep the secret, I was only too glad to give the credit to CLEMENTS TONIC. After finishing the bottle, work was no trouble to me, but rather a pleasure, and after doing a heavy day's washing I could go for a walk instead of having to go to bed, as always happened before taking CLEMENTS TONIC. One of my neighbours said to me last week, 'Why, Mrs. Dent, you are

Doing Wonders this Week,

how is it you are so strong now? She knew I had done more that week than I had been able to do

In Twelve Years Before

(she had known me this time for I am an old resident of this locality, having lived here for 15 years.) I replied, 'Yes, I feel a wonder to myself, so I'll

Tell You the Secret,

I have been taking CLEMENTS TONIC, and I cannot tell you the benefit I have derived from it. You know what my sufferings have been and now I have a genuine

Taste of Good Health."

Mrs. Dent wrote us those particulars of her remarkable cure in March. She wisely, however, decided to continue the medicine to "clinch the cure" as it were. Some time afterwards she wrote as follows:—

Waratah Commonage, N.S.W.

Dear Sir,—It is with great pleasure that I pen these few lines. I have been as you know a great sufferer from weakness and debility for years. I was under several doctors, but they never did any good. I DESPAIRED OF EVER BEING BETTER, but as I stated in my last letter I saw Clements Tonic advertised. I tried a bottle and its effect was something wonderful. I felt better almost immediately, and was a new woman after finishing the first bottle. Before taking Clements Tonic it was a great trouble even to do a little house-work, but afterwards my work was a pleasure and my friends and neighbours were surprised at the change in me. I cannot say too much in praise of it, and can only gratefully describe my case and strongly advise all who suffer from weakness, backache, pain in the side, ringing noises in the ears and shortness of breath to take Clements Tonic. I feel sure it will do them as much good as it has done me.

Yours Gratefully,

Fanny Dent

We have great pleasure in thanking this lady for allowing us to publish the case. We constantly hear of similar ones which people object to have published through a false delicacy. We only want to publish them in the interests of suffering humanity. Surely it is not wrong for people to acknowledge the genuineness and reliability of an article, when they have proved it to possess the properties we claim for it.

A well-known man speaks.

Mr. ROBERT A. LUCKHAM, travelling representative of the Sydney Bulletin, a gentleman known in almost every city, town, and village in Australasia, testifies to the value of CLEMENTS' TONIC, thus:

"Bulletin" Office, Sydney.

Dear Sir,—It affords me much pleasure to be able to testify to the many admirable qualities of CLEMENTS' TONIC, having used it for a short time I found my strength wonderfully restored. I had been suffering from extreme nervous debility, from which I have now quite recovered.

I consider CLEMENTS' TONIC a great tonic, giving and delightfully refreshing stimulant.

Yours faithfully,

Robert A. Luckham.

A Great Success.

AN INVALID FOR 12 YEARS.

Mrs. Fanny Dent, wife of a gentleman employed in the Lambton Collieries, kindly allows us to publish the following facts of her interesting case and wonderful recovery, which we gather from her correspondence, and which we shall be glad to allow anyone to peruse who wishes to do so.

Mrs. Dent had been in a state of extreme debility FOR TWELVE YEARS, frequently quite

Unable to do Any Work,

the lightest kind causing great fatigue, with severe pains in the limbs, back and left side. So severe was the pain that she would have to sit or lie down frequently. Walking exercise was very trying and she could

Only Walk very Slowly.

She had long seen CLEMENTS TONIC advertised but like many more people her husband was prejudiced against "patent medicines," but (now we use her own words) "I knew some one who had tried Clements Tonic, and I decided to get

A Bottle on the Quiet

and say nothing about it if it did me no good. The effect I thought

Something Wonderful.

I felt better after the first dose, and by the time I had taken half a bottle I was a different woman. My husband, friends and neighbours soon noticed the change in me, and they could not make it out. I had to tell the truth that it was CLEMENTS TONIC that

Was Making Me Strong,

I could not keep the secret, I was only too glad to give the credit to CLEMENTS TONIC. After finishing the bottle, work was no trouble to me, but rather a pleasure, and after doing a heavy day's washing I could go for a walk instead of having to go to bed, as always happened before taking CLEMENTS TONIC. One of my neighbours said to me last week, 'Why, Mrs. Dent, you are

Doing Wonders this Week,

how is it you are so strong now? She knew I had done more that week than I had been able to do

In Twelve Years Before

(she had known me this time for I am an old resident of this locality, having lived here for 15 years.) I replied, 'Yes, I feel a wonder to myself, so I'll

Tell You the Secret,

I have been taking CLEMENTS TONIC, and I cannot tell you the benefit I have derived from it. You know what my sufferings have been and now I have a genuine

Taste of Good Health."

Mrs. Dent wrote us those particulars of her remarkable cure in March. She wisely, however, decided to continue the medicine to "clinch the cure" as it were. Some time afterwards she wrote as follows:—

Waratah Commonage, N.S.W.

HOTELS.

Instructions to Licensees and Applicants.

RENEWALS: PUBLICANS AND COLONIAL WINE.—Licensees should, before the expiration of their existing licenses, send their application for renewal, together with the old license, to the District Inspector, at least 10 days before it is heard at the Licensing Court. (Inspector Lenthall, Woolloomooloo Police station.) Applicants need not attend the Court unless they receive notice of objection, but they should before the expiry of the license, obtain the certificate of renewal from the Court, which must be taken to the Treasurer, and the fee paid.

PUBLICANS NEW, CONDITIONAL, AND COLONIAL WINE.—Applications can only be entertained at the quarterly meetings, held in January, April, July, and October, the exact days always being advertised. Fourteen days' notice is required. Three copies of application must be lodged in Court, one sent to the District Inspector, one posted on the outside door (in the case of existing premises) and an advertisement inserted in one newspaper, published in the district, not less than seven days prior to the meeting. Applicants must attend the Court and produce advertisement.

BREWERS AND SPIRIT MERCHANTS.—Applications to be lodged in Court, giving sufficient time for the report of the notice to be obtained. Renewals of these licenses can be obtained on expiry by lodging the old license at the Treasury, and paying the fee for renewal. Applicants must attend the Court when first applied for.

PACKET LICENSES are obtained on application to the Water Police Court upon giving sufficient notice to allow the police to report, which requires about seven days. Applicants need not attend the Court unless the application is objected to.

TRANSFERS.—Applications to transfer are to be made to the Court in sufficient time to allow the police to inquire and report (say seven days in ordinary cases). Transferor and transferee are both required to attend the Court. £2 fee must be paid before hearing.

REMOVALS can only be entertained at the quarterly meetings, and the same notices are required as for a new or conditional license.

BOOTH OR STAND LICENSES are obtained by application to the Court in time to allow the police to report. If granted the fee of £2 must be paid to the Treasury, with the Court certificate. Three renewals can be obtained without further fee, but the permit cannot be granted for more than seven days at one time, and the license wholly expires at the end of twenty-eight days. In the case of new or conditional applications for publicans' licenses, where the local option vote in

the locality is in the negative, it is useless to ask for such, unless the proposed premises contain at least thirty rooms, i.e., twenty-six rooms for the use of the public, and decent accommodation for the family of the licensee; and even then it is entirely optional with the Licensing Court to grant or refuse. In the Metropolitan Licensing District the Court days are on Tuesdays at the Central Police Court, and Thursdays at the Water Police Court, at 12 noon, for business other than that which can only be taken at the quarterly meetings.

MUSIC PERMITS can be granted by any licensing magistrate, but in Sydney they are only usually granted on the weekly court days.
