is the first, surest, and most reliable symptom of approaching decline of physical health, it is distinctly a nerve pain; an infallible telegraph message prognosticative of approaching physical weakness; it is an intimation that the strength is being impaired. Overwork of any description must result in enervation and enfeeblement of the corporeal structure, this wear and tear (termed by scientists *destructive metabolism*) may be brought about by worry, excessive mental or physical labour, by continual attention to business, by bad food, bad air or any acute sickness, the duties of maternity, the strain of motherhood, dissipation, and many other causes; the proper remedy is CLEMENTS' TONIC, this must and will cure the worst and most severe cases, this is a positive fact, it has done it and will do it again always. Mr. G. Smith, the well-known athlete, received a severe strain while out rowing, then got a chill which settled in his back causing severe pain, he tried lots of remedies, all failed but CLEMENTS' TONIC cured. He says:—

Abercrombie-street, Darlingtong.

I had suffered severe pain in the back through catching cold while out rowing, for some time I tried lots of so-called cures, but after taking only two bottles of Clements' Tonic the pain entirely left me, and I have never had it since. I can honestly recommend Clements' Tonic.

Mrs. Bowie, Ashton House, Newman-street, Newtown, writes:—

Dear Sir,—Having been a sufferer for many years from Indigestion and being treated by numerous doctors without benefit, I had given up my case as nearly hopeless when I was strongly advised to take a course of Clements' Tonic, like thousands of others I did not believe in advertised remedies, but reluctantly consented. It is unnecessary to describe the various painful and disagreeable symptoms which the dyspeptic suffer, they are only known to themselves. Before I had finished one large bottle I felt almost a new woman, the result cannot be described as anything less than marvellous. I never intend in future to be without Clements' Tonic in the house and am only too happy to recommend it at all times. Yours very truly,

M. A. Bowie

Mr. D. Mayne, Editor, "Bathurst Sentinel" can endorse this case, as it came under his personal notice.

Dear Sir,—I have great pleasure in recommending Clements' Tonic, as I have derived great benefit from its recuperative properties, and a complete restoration of physical and mental vigour by the use of a couple of bottles. It has the great merit of being pleasant to the palate, and very quick in its effects.

Writing in the "Eye Witness," says:—

CLEMENTS' TONIC possesses those elements which are essential to build up a robust constitution. Those people who suffer from debility either from over taxing the brain, or the enervating influence of the hot weather would do well to use it.

Howick-street, Bathurst, Jan. 30th, 1890.

Dear Sir,—I have lately been taking Clements' Tonic with such wonderful results that I am induced, as a matter of justice, to send a plain statement of my case which you are at liberty to publish in the interests of similar sufferers.

For some years I have suffered acutely from indigestion, giddiness, languid tired feelings, no inclination for exertion, humming noises in the ears,—this symptom being especially troublesome—and extreme loziness of spirits. I tried many "cures" which did me no good. I eventually used Clements' Tonic, and the second dose completely cured the noises in my ears, and during recent attacks they were worse than ever before, but, thanks to Clements' Tonic, before the first bottle was used my general health was greatly improved, and I can truthfully state that it is far superior to any other medicine I ever took, and I honestly believe that all sufferers will derive great and permanent benefit from its use.

All unpleasant feelings have entirely left me, and I shall always use Clements' Tonic when out of sorts, it is a grand pick-me-up, and I am thankful that I gave it a trial.

Yours faithfully,

S. D. Wood

Hotels continued—obtain the certificate of renewal from the Court, which must be taken to the Treasurer, and the fee paid.

PUBLICANS NEW, CONDITIONAL, AND COLONIAL WINE.—Applications can only be entertained at the quarterly meetings, held in January, April, July, and October, the exact days always being advertised. Fourteen days' notice is required. Three copies of application must be lodged in Court, one sent to the District Inspector, one posted on the outside door (in the case of existing premises) and an advertisement inserted in one newspaper, published in the district, not less than seven days prior to the meeting. Applicants must attend the Court and produce advertisement.

BREWERS AND SPIRIT MERCHANTS.—Applications to be lodged in Court, giving sufficient time for the report of the notice to be obtained. Renewals of these licenses can be obtained on expiry by lodging the old license at the Treasury, and paying the fee for renewal. Applicants must attend the Court when first applied for.

PAKET LICENSES are obtained on application to the Water Police Court upon giving sufficient notice to allow the police to report, which requires about seven days. Applicants need not attend the Court unless the application is objected to.

TRANSFERS.—Applications to transfer are to be made to the Court in sufficient time to allow the police to inquire and report (say seven days in ordinary cases). Transferor and transferee are both required to attend the Court. £2 fee must be paid before hearing.

REMOVALS can only be entertained at the quarterly meetings, and the same notices are required as for a new or conditional license.

BOOTH OR STAND LICENSES are obtained by application to the Court in time to allow the police to report. If granted the fee of £2 must be paid to the Treasury, with the Court certificate. Three renewals can be obtained without further fee, but the permit cannot be granted for more than seven days at one time, and the license wholly expires at the end of twenty-eight days. In the case of new or conditional applications for publicans' licenses, where the local option vote in the locality is in the negative, it is useless to ask for such, unless the proposed premises contain at least thirty rooms, i.e., twenty-six rooms for the use of the public, and decent accommodation for the family of the licensee; and even then it is entirely optional with the Licensing Court to grant or refuse. In the Metropolitan Licensing District the Court days are on Tuesdays at the Central Police Court, and Thursdays at the Water Police Court, at 12 noon, for business other than that which can only be taken at the quarterly meetings.

MUSIC PERMITS can be granted by any licensing magistrate, but in Sydney they are only usually granted on the weekly Court days.
