The only recognised medium in Sydney for obtaining particulars as to

Apartments or Board & Residence

IS THE

SYDNEY APARTMENTS REGISTER CO.

55 HUNTER STREET,

(Corner of Elizabeth Street).

The SYDNEY APARTMENTS REGISTER COMPANY was formed, and carries on business, on the lines of the highly-successful LONDON APARTMENT AGENCIES, and has for its object the LETTING OF APARTMENTS, BOARD, AND RESIDENCE.

A Register is kept, showing the various Houses with Apartments vacant in the city, suburbs and country.

If you are seeking Apartments, save trouble and expense by calling on us—we can suit you with whatever you may require at a moment's notice. We make no charge to applicants.

If you are advertising for Boarders or Lodgers day after day, and obtain no return for your outlay, call and register with us. We charge a nominal fee for entering your name on our books for six months, and on sending you a boarder a further small charge is made when he or she has been with you for fourteen days.

This is the recognised office in Sydney for obtaining Boarders, and from the fact of having almost daily inquiries for Apartments or Board and Residence, we can fairly claim to have supplied a long-felt want.

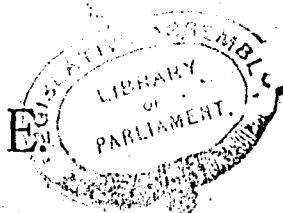

We shall be pleased to furnish intending clients with further information on application at our office.

THE SYDNEY APARTMENTS REGISTER CO.,

H. B. JOHNSTON, Manager.

Office Hours—9 a.m. to 6 p.m.; Saturday, 9 a.m. to 1 p.m.

PREFACE

JOHNS SANDS has again the pleasure of introducing his SYDNEY AND SUBURBAN DIRECTORY to the general public of Sydney and neighbourhood, and for their guidance would respectfully submit the following Key in order to facilitate reference.

The GENERAL INDEX (page v and vi) is an alphabetically arranged list of every item in the book. Immediate reference to this will save much trouble and time.

The CITY STREETS DIRECTORY (pages 1 to 127) is arranged in alphabetical order of names of streets, showing where they commence, and the intersecting and terminal streets, together with the numbers of the houses in the main thoroughfares. This will be found very useful in tracing the exact locality of the more obscure and smaller houses.

The SUBURBAN DIRECTORY (pages 133 to 518) is compiled on the lines of the City streets, so far as possible. The respective Municipalities and Suburbs are shown in alphabetical order, with their boundaries, together with the rates, official lists, &c., corrected up to date.

The ALPHABETICAL DIRECTORY (pages 519 to 941) contains the Institutions, also business, professional and private persons resident in Sydney and suburbs, arranged in alphabetical order in the following sequence :—Where entries commence with the same surname, institutions and public bodies take precedence ; next come the names of public companies, followed by partnership firms, then the names of individual business and professional people, and lastly private persons.

The TRADES AND PROFESSIONAL DIRECTORY (pages 942 to 1132) contains lists of the trading and professional community only. Index of headings will be found at pages xxv. to xxx. As much difficulty is experienced in gaining full and accurate information for this Section, it has been considered expedient to classify them according to the instructions given to the canvassers—a reference to similar trades being placed under each heading.

A list of the Justices of the Peace will be found on page 1053.

A list of leading European Manufacturers will be found at pages 1133 to 1136.

The MISCELLANEOUS DIRECTORY (pages 1137 to 1160) includes Governmental and Parliamentary Lists, Civil, Naval, and Military information, kindly revised to the latest date by Government and other officials, to whom the publisher tenders his best thanks

A list of firms with fixed pay-days (pages 1161 to 1166) will, no doubt, be found useful in business circles.

Whilst thanking the subscribers and the public generally, the publisher begs to say that the whole of the information has been COLLECTED, COMPILED, AND PRINTED BY A STAFF RESIDENT IN AND KNOWING THE CITY AND SUBURBS ; therefore this edition should be as complete and reliable as it is possible to render so voluminous a work.

SPECIAL.—Corrections for the 1895 edition should be forwarded not later than the first week in October, 1894. Communications connected with DIRECTORIES to be addressed to "Compiler," SANDS'S DIRECTORIES, 374 George street, Sydney.

374 GEORGE STREET, SYDNEY,
January, 1894.
