# A NATIONAL WORK OF REFERENCE.

Among Annual Publications none holds a higher or more important position than that occupied by

## The Year-Book of Australia,

which has become recognised throughout the British Empire, Europe, and America, as an authoritative and reliable compendium of useful information relating to the Commercial, Political and Social progress of Australia and Tasmania.

Its steadily increasing success and prestige is illustrated by the fact that, commenced in 1882, as a book of 160 pages, it has been enlarged year by year until it now forms a volume of nearly 1,000 pages, demy octavo, of closely-printed matter, systematically arranged for ready reference, under the following heads:

Administrative and Legislative.  
Agricultural and Pastoral.  
Annual Reviews of Banking, Building Societies, Commercial, Insurance, Mining, Postage, Stocks and Shares, Wool.  
Art, Music and Drama.  
Ecclesiastical.  
Educational.  
Gazetteer.  
Land and Land Laws.  
Legal.

Literary, Scientific and Kindred Subjects.  
Local General Information.  
Medical.  
Military.  
Mineral and Mining.  
Naval, Imperial and Colonial.  
Postal and Telegraphic.  
Public Finances.  
Railways and Tramways.  
Sporting.  
Statistics.

Many thousands of copies of *The Year-Book* are distributed by the Governments of the Australian Colonies, and by Colonial Merchants throughout Europe and America.

*The Year-Book* is to be found in all the leading Government Departments and Public Libraries throughout the world.

H. H. Hayter, Esq., Victorian Government Statist, Melbourne, says:—

"I consider the book one of the most valuable books of reference I know. . . The merits of the book are such that it ought to have a large circulation, both at this end of the world and the other."

The London Publishers write that:—

"It has taken its stand as the text-book of the Commercial, Political, and Social world of Australia," and this statement is endorsed by the recorded opinions of the principal newspapers in Australia, Europe, and America, the London "Times" declaring it to be "A perfectly reliable and most instructive work of reference."

### SOME PRESS OPINIONS.

"From every point of view it is a striking example of Australian progress and enterprise, and could probably not be beaten, if equalled, in any other country."—THE COLONIES AND INDIA (London).

"The book is a Gazetteer, Encyclopedia, and Blue Book in one."—SAN FRANCISCO CHRONICLE.

"Presents in its descriptions, facts, and figures, a complete picture of Australia from every point of view."—INSURANCE TIMES (New York).

"Encyclopedia in the range and variety of its contents."—AUSTRALASIAN (Melbourne).

"The matter is well condensed and thoroughly reliable."—BRISBANE COURIER.

Many hundred testimonials of the same gratifying and encouraging character have been received.

Do not fail to try this delicious CRAB APPLE BLOSSOM PERFUME and the INVIGORATING LAVENDER SALTS. The remarkable lasting quality of this Delicious Scent renders it more economical in use than the cheaper perfumes.
