HOTELS.

Instructions to Licensees and Applicants.

RENEWALS: PUBLICANS AND COLONIAL WINE.—Licensees should, before the expiration of their existing licenses, lodge their application for renewal, together with the old license, with the District Inspector, at least ten days before it is to be heard at the Licensing Court. (Inspector Leith, Central Police Office, Liverpool street, is the Metropolitan District Inspector.) Applicants need not attend the Court unless they receive notice of objection, but they must, before the expiry of their licenses, obtain the certificate of renewal from the Court, which must be taken to the Treasurer, and the fee paid.

PUBLICANS' NEW, CONDITIONAL, AND COLONIAL WINE.—Applications can only be entertained at the quarterly meetings, held in January, April, July, and October, the exact days always being advertised. Fourteen days' notice is required. Three copies of application must be lodged in Court, one sent to the District Inspector, one posted on the outside door (in the case of existing premises), and an advertisement inserted in one newspaper published in the district, not less than seven days prior to the meeting. Applicants must attend the Court and produce advertisement.

BREWERS AND SPIRIT MERCHANTS.—Applications to be lodged in Court, giving sufficient time for the report of the police. Renewals can be obtained on expiry by lodging the old license at the Treasury, and paying the fee. Applicants must attend the Court when first applied for.

PACKET LICENSES are obtained on application to the Water Police Court upon giving sufficient notice to allow the police to report, which requires about seven days. Applicants need not attend the Court unless the application is objected to.

TRANSFERS.—Application to transfer are to be made to the Court in sufficient time to allow the police to inquire and report (say seven days in ordinary cases). Transferor and transferee are both required to attend the Court. £2 fee must be paid before hearing.

REMOVALS can only be entertained at the quarterly meetings, and the same notices are required as for a new or conditional license.

BOOTH OR STAND LICENSES are obtained by application to the Court in time to allow the police to report. If granted the fee of £2 must be paid to the Treasury, with the Court certificate. Three renewals can be obtained without further fee, but the permit cannot be granted for more than seven days at one time, and the license wholly expires at the end of twenty-eight days. In the case of new or conditional applications for publicans' licenses, where the local option vote in the locality is in the negative, it is useless to ask for such, unless the proposed premises contain at least thirty rooms, i.e., twenty-six rooms for the use of the public, and decent accommodation for the family of the licensee; and even then it is entirely optional with the Licensing Court to grant or refuse. In the Metropolitan Licensing District the Court days are on Mondays at the Central Police Court, and Wednesdays at the Water Police Court, at 12 noon, for business other than that which can only be taken at the quarterly meetings.

MUSIC PERMITS can be granted by any licensing magistrate, but in Sydney they are only usually granted on the weekly Court days.

SYDNEY STEAM LAUNDRY

CROWN AND STANLEY STREETS.

THE SYDNEY STEAM LAUNDRY is the most extensive establishment of the kind in the Australian Colonies. The management, by having a thorough practical knowledge of the systems and appliances adopted in the great American and North of Ireland Laundering and Linen Finishing Establishments, are enabled to finish, in a careful and superior style, in quick time and in all weathers, very large quantities of work at

VERY LOW PRICES.

Steamship Companies, Ships, Hotels, Clubs, Restaurants, Public Baths, or other Establishments having large quantities of work to wash, taken at special low rates—from 5 to 50 per cent. lower than the same class of work can be done for elsewhere.

VANS COLLECT AND DELIVER GOODS IN CITY AND SUBURBS.

Apply for Terms, &c. Orders by Post attended to.

The William Street Omnibuses pass within a few doors of the Laundry.

AND PERSONS, AND WOULD BEING...
TIONS FOR PATENTS IS ONE THAT IS SELDOM ACQUIRED BUT BY LONG PRACTICE AND EXPERIENCE, and that when Patents are obtained on Specifications unskilfully drawn they are of no avail, representing only just so much money thrown away.

I would also remind Importers, Manufacturers, and others of the necessity of registering their Trade Marks, if they attach any value to them; for, whilst the law everywhere makes IT A WISE AND A PRUDENT THING TO DO SO, there are some countries in which the law seems to offer encouragement to pirates to levy blackmail on honest dealers by allowing any person to register any mark, whether it is his own or not, and, when once registered, necessitating an appeal to the Supreme Court for redress.

EDWARD WATERS

P.S.—I would particularly call your attention to the fact that my MR. FRED WALSH's repeated suggestions (during the last five years) for cheapening the cost of Patents are NOW IN FORCE, and that the expense of Patenting in New South Wales is reduced to considerably less than half the former charges, while provisional protection for twelve months is also procurable at very slight cost.—1st August, 1887.

P.P.S.—It is to be noted that the Trade Marks Act Amendment Act is NOW IN FORCE. By this measure it is not necessary for the prosecutor in criminal proceedings for infringement of Trade Mark to prove fraud; the onus of proving absence of fraud is thrown on the defendant. No proceedings can be successful unless the Trade Mark is DULY registered.—FRED WALSH, Manager for ED. WATERS.—17th April, 1893.

Patent and Trade Marks Office,

23 ELIZABETH STREET, SYDNEY.

(Four Doors From Hunter Street.)

TELEPHONE, 1055.

Established—Melbourne, 1859. Sydney, 1882. Brisbane, 1887.

MY Office for the transaction of all kinds of Business relating to Patents, Trade Marks, and Copyrights, is at the above address, and I have the honour to respectfully draw your attention to the following:—

For the last thirty-six years I have conducted more than ONE-HALF OF THE WHOLE OF THE PATENT BUSINESS OF THIS AND THE ADJOINING COLONIES, which has necessarily opened up to me many facilities, and given an experience which others have not acquired.

Any information as to Patents, Trade Marks, Copyrights and Designs throughout the world, and as to the likelihood and the cost of obtaining same, may be ascertained at the above office, which is under the management of MR. FRED WALSH, J.P., a competent practical engineer and scientist, Member of the Engineering Association of New South Wales, Foreign Member of the Chartered Institute of Patent Agents, London, and Fellow of the Australasian Institute of Patent Agents.

I do not offer to transact Business at unremunerative rates, such as are quoted by unqualified persons, but intend to make such charges as long experience has proved to be fair and reasonable, and would remind intending patentees that THE ART OF PREPARING SPECIFICATIONS FOR PATENTS IS ONE THAT IS SELDOM ACQUIRED BUT BY LONG PRACTICE AND EXPERIENCE, and that when Patents are obtained on Specifications unskilfully drawn they are of no avail, representing only just so much money thrown away.

I would also remind Importers, Manufacturers, and others of the necessity of registering their Trade Marks, if they attach any value to them; for, whilst the law everywhere makes IT A WISE AND A PRUDENT THING TO DO SO, there are some countries in which the law seems to offer encouragement to pirates to levy blackmail on honest dealers by allowing any person to register any mark, whether it is his own or not, and, when once registered, necessitating an appeal to the Supreme Court for redress.

EDWARD WATERS

P.S.—I would particularly call your attention to the fact that my MR. FRED WALSH's repeated suggestions (during the last five years) for cheapening the cost of Patents are NOW IN FORCE, and that the expense of Patenting in New South Wales is reduced to considerably less than half the former charges, while provisional protection for twelve months is also procurable at very slight cost.—1st August, 1887.

P.P.S.—It is to be noted that the Trade Marks Act Amendment Act is NOW IN FORCE. By this measure it is not necessary for the prosecutor in criminal proceedings for infringement of Trade Mark to prove fraud; the onus of proving absence of fraud is thrown on the defendant. No proceedings can be successful unless the Trade Mark is DULY registered.—FRED WALSH, Manager for ED. WATERS.—17th April, 1893.

READY EARLY IN MARCH.

A NATIONAL WORK OF REFERENCE.

AMONG Annual Publications none holds a higher or more important position than that occupied by

The Year-Book of Australia,

which has become recognized throughout the British Empire, Europe, and America as an authoritative and reliable compendium of useful information relating to the Commercial, Political and Social Progress of Australia and Tasmania.

Its steadily-increasing success and prestige is illustrated by the fact that, commenced in 1882 as a book of 160 pages, it has been enlarged year by year until it now forms a volume of nearly 1,000 pages, demy octavo, of closely-printed matter, systematically arranged for ready reference, under the following heads:—

Administrative and Legislative.
Agricultural and Pastoral.
Annual Reviews of Banking, Building Societies, Commercial, Insurance, Mining, Postage, Stocks and Shares, Wool.
Art, Music and Drama.
Ecclesiastical.
Educational.
Gazetteer.
Land and Land Laws.
Legal.

Literary, Scientific and Kindred Subjects.
Local General Information.
Medical.
Military.
Mineral and Mining.
Naval, Imperial, and Colonial.
Postal and Telegraphic.
Public Finances.
Railways and Tramways.
Sporting.
Statistics.

Many thousands of copies of *The Year Book* are distributed by the Governments of the Australian Colonies, and by Colonial Merchants, throughout Europe and America. *The Year-Book* is to be found in all the leading Government Departments and Public Libraries throughout the world.

H. H. Hayter, Esq., late Victorian Government Statist, Melbourne, wrote:—

"I consider the book one of the most valuable books of reference I know. . . The merits of the book are such that it ought to have a large circulation, both at this end of the world and the other.

The London Publishers write that:—

"It has taken its stand as the text book of the Commercial, Political and Social world of Australia, and this statement is endorsed by the recorded opinions of the principal newspapers in Australia, Europe, and America, the London *'Times'* declaring it to be *'A perfectly reliable and most instructive work of reference.'*"

SOME PRESS OPINIONS.

"From every point of view it is a striking example of Australian progress and enterprise, and could probably not be beaten, if equalled, in any other country."—*THE COLONIES AND INDIA* (London).

"The book is a Gazetteer, Encyclopædia, and Blue Book in one."—*SAN FRANCISCO CHRONICLE*.

"Presents in its descriptions, facts, and figures a complete picture of Australia from every point of view."—*INSURANCE TIMES* (New York).

"Encyclopædia in the range and variety of its contents."—*AUSTRALASIAN* (Melbourne).

"The matter is well condensed and thoroughly reliable."—*BRISBANE COURIER*.

"Contains a vast mass of information on every subject of Australian interest useful to colonists."—*SYDNEY MORNING HERALD*.

"A valuable work of reference, and a perfect storehouse of information."—*ANGUS* (Melbourne).

"Our past experience has shown it to be most trustworthy."—*SOUTH AUSTRALIAN REGISTER* (Adelaide).

"It is in every sense of the word a truly representative work on Australia."—*MERCURY* (Hobart).

"Far more complete, comprehensive, and reliable than any work of a similar nature hitherto attempted for this colony."—*WEST AUSTRALIAN* (Perth).

Many hundred testimonials of the same gratifying and encouraging character have been received.

The Scottish Trade Advocate and Fidelity Society.

(NO LIABILITY.)

PROTECTING COMMERCIAL, PROFESSIONAL and INDUSTRIAL INTERESTS.

NEW SOUTH WALES HEAD OFFICE—

177 AND 178 VICKERY'S CHAMBERS,

82 PITT ST., SYDNEY (Near G.P.O.)

Best and most Economical way to Collect your Outstanding Accounts:

1st—Become a member of **The Scottish Trade Advocate and Fidelity Society**. Annual Subscription, £1 1s., viz., 12 months from date of payment.

2nd—Send, addressed to Manager, a list of all the Debts owing to you. Name, occupation, address, and amount due, items not necessary.

Why will this be the best way of having these Outstanding

DEBTS COLLECTED.

1st—Because the Society's system guarantees the security of your money after it has been collected, which is effected on new principles by a staff of expert collectors, visiting both City and Suburbs.

2nd—Because the Society has Agents all over New South Wales, and in Victoria, Queensland, South Australia, Western Australia, Tasmania, New Zealand, England, &c.

3rd—Because the Society does not depend upon merely writing letters or sending circulars, but makes personal application in every case where possible.

4th—Because the Society uses its utmost endeavours to trace debtors who have left the address last known to members, having special facilities for this purpose.

5th—Because all debts owing in any part of New South Wales will be brought to a conclusion within one month from receiving particulars, or within two months if owing in any other colony.

6th—Because, from special knowledge of debtors, the Society is able to inform members if the debtors are worth suing.

7th—Because the Society's system guarantees that immediately any money has been collected an advice will then and there be posted to members, and paid over to same within twenty-four hours.

8th—Because members have the services of the Society's Solicitors when required, and can see them personally, or communicate direct with them, either for consultation, advice, and attendance at Court for 12 months without further charge.

9th—Because, when really necessary to sue (having first obtained members' permission), the Society's Solicitors are instructed to take proceedings, and only the costs out of pocket are charged to members, returnable immediately debt is recovered.

10 per cent. charged on amounts actually recovered; no charge made if no amounts collected.

Special rates for collecting large or regular accounts.
