HOTELS.

Instructions to Licensees and Applicants.

RENEWALS: PUBLICANS AND COLONIAL WINE.—Licensees should, before the expiration of their existing licenses, lodge their application for renewal, together with the old license, at the Court, and must also give a written notice to the District Inspector, at least ten days before it is to be heard at the Licensing Court. (Inspector Lenthall, Central Police Office, Liverpool street, is the Metropolitan District Inspector.) Applicants need not attend the Court unless they receive notice of objection, but they must, before the expiry of their licenses, obtain the certificate of renewal from the Court, which must be taken to the Treasurer, and the fee paid.

PUBLICANS' NEW, CONDITIONAL, AND COLONIAL WINE.—Applications can only be entertained at the quarterly meetings, held in January, April, July, and October, the exact days always being advertised. Fourteen days' notice is required. Three copies of application must be lodged in Court, one sent to the District Inspector, one posted on the outside door (in the case of existing premises), and an advertisement inserted in one newspaper published in the district, not less than seven days prior to the meeting. Applicants must attend the Court and produce advertisement.

BREWERS AND SPIRIT MERCHANTS.—Applications to be lodged in Court, giving sufficient time for the report of the police. Renewals can be obtained on expiry by lodging the old license at the Treasury, and paying the fee. Applicants must attend the Court when first applied for.

PACKET LICENSES are obtained on application to the Water Police Court upon giving sufficient notice to allow the police to report, which requires about seven days. Applicants need not attend the Court unless the application is objected to.

TRANSFERS.—Applications to transfer are to be made to the Court in sufficient time to allow the police to inquire and report (say seven days in ordinary cases). Transferor and transferee are both required to attend the Court. £2 fee must be paid before hearing.

REMOVALS can only be entertained at the quarterly meetings, and the same notices are required as for a new or conditional license.

BOOTH OR STAND LICENSES are obtained by application to the Court in time to allow the police to report. If granted the fee of £2 must be paid to the Treasury, with the Court certificate. Three renewals can be obtained without further fee, provided they are for the same continuous sport or event, but the permit cannot be granted for more than seven days at one time, and the license wholly expires at the end of twenty-eight days. In the case of new or conditional applications for publicans' licenses, where the local option vote in the locality is in the negative, it is useless to ask for such, unless the proposed premises contain at least thirty rooms, i.e., twenty-six rooms for the use of the public, and decent accommodation for the family of the licensee; and even then it is entirely optional with the Licensing Court to grant or refuse. In the Metropolitan Licensing District the Court days are on Mondays at the Central Police Court, and Wednesdays at the Water Police Court, at 12 noon, for business other than that which can only be taken at the quarterly meetings.

MUSIC PERMITS can be granted by any licensing magistrate, but in Sydney they are only usually granted on the weekly Court days.

DEPARTMENT OF MINES AND AGRICULTURE.

GENTLEMEN,—I have the honour, by direction of the Secretary for Agriculture, to inform you that the fruit expert (Mr. A. H. Benton) reports as follows with reference to your Spraying Machine:—

"I have examined the Spray Pump, and find it to be a simple and efficient machine that does good work, and is not liable to get out of order with any spraying material. The size made is suitable for a garden or orchard.

"I have the honour to be, Gentlemen,

Your obedient servant,

(Signed)

"HARRIE WOOD.

"Messrs. H. T. Smith & Co.,
"543 George Street."

AWARDED THE GOLD MEDAL
at the Recent
HOBART EXHIBITION.

This apparatus has been long and favourably known throughout the Australian Colonies, and it is almost unnecessary to state that it stands FIRST ON THE LIST for Simplicity, Durability and Economy. We give a few of our Latest Testimonials:—

From A. THOMPSON & Co.,
St. Mary's Tannery, St. Mary's.

SIRS,—Re your inquiry as to Gas-making Machine I bought from you early in May last, I beg to say I am well satisfied with the same in every way. As to its simplicity and utility, it is quite up to all you claimed for it, and I have no doubt in recommending it to anyone requiring a good Gas-making Machine.

(Signed)

A. THOMPSON.

HAMILTON, MOSS VALE, JULY 27. 1894.

MESSRS. H. T. SMITH & CO., SYDNEY.

SIRS,—With reference to your inquiries as to the Gas-making Machine I purchased from you some 12 years ago for my house at Barrangarry, it has given me entire satisfaction, and the similar one I purchased for my house at Hamilton, near Moss Vale, is also giving good satisfaction.

(Signed)

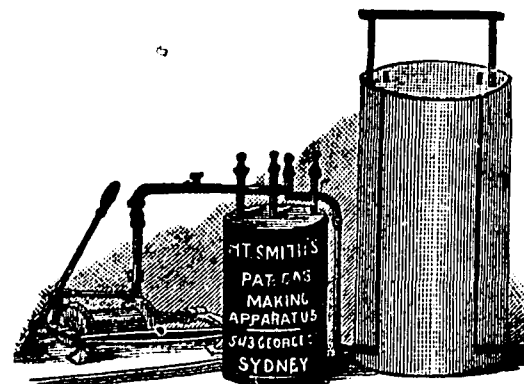

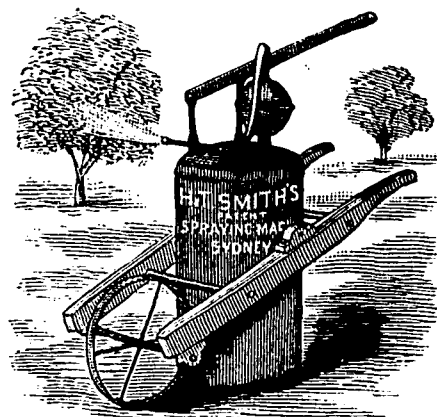

ALICK OSBORNE.

DOOLOOMINBAH, ARMIDALE, AUGUST 23, 1892.

I have used in my house for the past five and a half years one of H. T. Smith & Co.'s Gas-making Machines and it has worked very satisfactorily. I can recommend it to anyone who cannot obtain ordinary Gas or Electricity as a much superior mode of lighting to oil, etc.

(Signed)

FREE

PRESS

Published every
FRIDAY.

SUBSCRIPTION:
2/- per Quarter.

The value of the FREE PRESS as an advertising medium is best demon-
strated by its marvellous rise and development. By October, 1896, it had grown
from an eight-page paper to one of FOURTEEN PAGES; its readers thus being
supplied with 98 columns of news.

A feature of the letter-press department is the attractive style in which
the advertisements are displayed.

The FREE PRESS is popular with all classes, its bold but wholesome advocacy
of the interests of fair play and the good Literary Work done by its con-
tributors having caused its renown to spread with amazing rapidity throughout
Australia.

MAKES IT A WISE AND A PRUDENT THING TO DO SO, there are some countries in which the law seems to offer encouragement to pirates to levy blackmail on honest dealers by allowing any person to register any mark, whether it is his own or not, and, when once registered, necessitating an appeal to the Supreme Court for redress.

EDWARD WATERS.

P.S.—I would particularly call your attention to the fact that my MR. FRED WALSH's repeated suggestions (during the last five years) for cheapening the cost of Patents are NOW IN FORCE, and that the expense of Patenting in New South Wales is reduced to considerably less than half the former charges, while provisional protection for twelve months is also procurable at very slight cost—1st August, 1887.

P.P.S.—It is to be noted that the Trade Marks Act Amendment Act is NOW IN FORCE. By this measure it is not necessary for the prosecutor in criminal proceedings for infringement of Trade Mark to prove fraud; the onus of proving absence of fraud is thrown on the defendant. No proceedings can be successful unless the Trade Mark is DULY registered.—FRED WALSH, Manager for ED. WATERS.—17th April, 1893.

TELEPHONE, 1055.

Established—Melbourne, 1859.

Sydney, 1882.

Brisbane, 1887.

MY Office for the transaction of all kinds of Business relating to Patents, Trade Marks
and Copyrights, is at the above address, and I have the honor to respectfully draw your
attention to the following :—

For the last thirty-six years I have conducted more than ONE-HALF OF THE WHOLE
OF THE PATENT BUSINESS OF THIS AND THE ADJOINING COLONIES, which has necessarily
opened up to me many facilities, and given an experience which others have not acquired.

Any information as to Patents, Trade Marks, Copyrights and Designs throughout the
world, and as to the likelihood and the cost of obtaining same, may be ascertained at the
above office, which is under the management of MR. FRED WALSH, J.P., a competent
practical engineer and scientist, Member of the Engineering Association of New South Wales,
Foreign Member of the Chartered Institute of Patent Agents, London, and Fellow of the
Australasian Institute of Patent Agents.

I do not offer to transact Business at unremunerative rates, such as are quoted by
unqualified persons, but intend to make such charges as long experience has proved to be fair
and reasonable, and would remind intending patentees that THE ART OF PREPARING SPECIFICA-
TIONS FOR PATENTS IS ONE THAT IS SELDOM ACQUIRED BUT BY LONG PRACTICE AND
EXPERIENCE, and that when Patents are obtained on Specifications unskilfully drawn they are
of no avail, representing only just so much money thrown away.

I would also remind Importers, Manufacturers, and others of the necessity of
registering their Trade Marks, if they attach any value to them; for, whilst the law everywhere
makes IT A WISE AND A PRUDENT THING TO DO SO, there are some countries in which the law
seems to offer encouragement to pirates to levy blackmail on honest dealers by allowing any
person to register any mark, whether it is his own or not, and, when once registered, necessitating
an appeal to the Supreme Court for redress.

EDWARD WATERS.

P.S.—I would particularly call your attention to the fact that my MR. FRED WALSH's repeated suggestions
(during the last five years) for cheapening the cost of Patents are NOW IN FORCE, and that the expense of Patent-
ing in New South Wales is reduced to considerably less than half the former charges, while provisional protection for
twelve months is also procurable at very slight cost—1st August, 1887.

P.P.S.—It is to be noted that the Trade Marks Act Amendment Act is NOW IN FORCE. By this measure it is
not necessary for the prosecutor in criminal proceedings for infringement of Trade Mark to prove fraud; the onus of
proving absence of fraud is thrown on the defendant. No proceedings can be successful unless the Trade Mark is
DULY registered.—FRED WALSH, Manager for ED. WATERS.—17th April, 1893.

PATENTS & TRADE MARKS AGENT.

Mr. Arthur Griffith, M.P., has commenced practice in Sydney as a Patents Agent. Mr. Griffith has for a long time past devoted himself to the study of the International Patents Law, and has drafted the bill now before Parliament to bring New South Wales within the terms of the International Patents Convention.—(Daily Telegraph, 26th Sept., 1890.)

COPYRIGHT.

The law of Copyright in New South Wales is in a most unsatisfactory state. It is not possible here to give even a resumé of it, but I should advise authors to leave nothing to chance, or they may find themselves unable to prevent their works from being openly pirated before their eyes.

TRADE MARKS.

The law in regard to these is also in a most chaotic state, and it is my intention to endeavor to amend it in the near future. At present ANYONE can register ANY OTHER PERSON'S Trade Mark, and this is frequently done. A person in another country, after establishing and popularising a particular article, frequently finds when he comes to register his Trade Mark in New South Wales that someone else has registered it as his, and the rightful owner can do nothing to obtain his rights without a costly and doubtful law suit.

REGISTRATION OF COMPANIES.

Business people are as a rule very ignorant of the law in regard to registration. There are several large Companies in this Colony at the present moment liable to heavy penalties for non-compliance with the provisions of the Companies Act, and any person choosing to prosecute them would obtain half the fines recovered.

Reciprocal AGENCIES in Melbourne, Adelaide, Perth, Brisbane, Hobart, Wellington (N.Z.), Cape Town, Pretoria, Washington, Toronto, Calcutta, London, Paris, Berlin, Vienna, St. Petersburg, Brussels, Amsterdam.

PATENTS & TRADE MARKS AGENT.

Mr. Arthur Griffith, M.P., has commenced practice in Sydney as a Patents Agent. Mr. Griffith has for a long time past devoted himself to the study of the International Patents Law, and has drafted the bill now before Parliament to bring New South Wales within the terms of the International Patents Convention.—*Daily Telegraph*, 20th Sept., 1900.

ARTHUR GRIFFITH,

39 CASTLEREAGH ST. - - - SYDNEY.

PATENTS.

The policy of all civilized Governments of late years has been the gradual reduction of the fees charged for the granting of Letters Patent as an incentive to inventive effort, but their object has been thwarted by the heavy rates charged by Patents Agents, whom it is absolutely necessary for inventors to employ, as no one unaccustomed to the work can effectively master the highly technical work connected with the drawing of claims, specifications, oppositions, etc., with sufficient accuracy to secure a Patent that will stand the test of a law suit. It is my intention to fall in with the spirit of the times by fixing my rates as low as will fairly remunerate me for actual work done, and will at the same time allow of the poorest inventor securing a Patent without having to mortgage the greater portion of his invention to some person willing to finance him. It is not possible here to give a complete list of my charges, as they must vary in accordance with the work to be done; but I will undertake in the first instance to secure for any patentable invention a Certificate of Provisional Protection for from 3 to 12 months in the Seven Australasian Colonies and Great Britain for the sum of £50, exclusive of cost of Drawings (if any) which, if not supplied, I charge for at ordinary draftsman's rates. In all of the Australasian Colonies, in America, Great Britain, South Africa and the principal countries of Europe, I have established reciprocal arrangements with leading Patent Agents, so that my clients' interests abroad will be fully safeguarded. Space will not allow of my dealing generally with the Law of Patents in N.S.W., but I will point out that it differs from that of other countries in that it permits a person who is not the inventor to secure a Patent as the first "introducer" of an invention in use elsewhere, but not previously known in N.S.W.

COPYRIGHT.

The law of Copyright in New South Wales is in a most unsatisfactory state. It is not possible here to give even a resume of it, but I should advise authors to leave nothing to chance, or they may find themselves unable to prevent their works from being openly pirated before their eyes.

TRADE MARKS.

The law in regard to these is also in a most chaotic state, and it is my intention to endeavor to amend it in the near future. At present anyone can register any other person's Trade Mark, and this is frequently done. A person in another country, after establishing and popularizing a particular article, frequently finds when he comes to register his Trade Mark in New South Wales that someone else has registered it as his, and the rightful owner can do nothing to obtain his rights without a costly and doubtful law suit.

REGISTRATION OF COMPANIES.

Business people are as a rule very ignorant of the law in regard to registration. There are several large Companies in this Colony at the present moment liable to heavy penalties for non-compliance with the provisions of the Companies Act, and any person choosing to prosecute them would obtain half the fines recovered.

READY EARLY IN MARCH.

A NATIONAL WORK OF REFERENCE.

Among Annual Publications none holds a higher or more important position than that occupied by

The Year-Book of Australia,

which has become recognised throughout the British Empire, Europe, and America as an authoritative and reliable compendium of useful information relating to the Commercial, Political and Social Progress of Australia and Tasmania.

Its steadily-increasing success and prestige is illustrated by the fact that, commenced in 1882 as a book of 160 pages, it has been enlarged year by year until it now forms a volume of nearly 800 pages, demy octavo, of closely-printed matter, systematically arranged for ready reference, under the following heads:—

Administrative and Legislative.
Agricultural and Pastoral.
Annual Reviews of Banking, Building Societies Commercial, Insurance, Mining, Postage, Stocks and Shares, Wool.
Art.
Ecclesiastical.
Educational.
Gazetteer.
Land and Land Laws.
Legal.

Literary and Kindred Subjects.
Local General Information.
Medical.
Military.
Mineral and Mining.
Naval, Imperial, and Colonial.
Postal and Telegraphic.
Public Finances.
Railways and Tramways.
Sporting.
Statistics.

Many thousands of copies of *The Year-Book* are distributed by the Governments of the Australian Colonies, and by Colonial Merchants, throughout Europe and America.

The Year-Book is to be found in all the leading Government Departments and Public Libraries throughout the world.

H. H. Hayter, Esq., late Victorian Government Statist, Melbourne, wrote:—

"I consider the book one of the most valuable books of reference I know. . . The merits of the book are such that it ought to have a large circulation, both at this end of the world and the other."

The London Publishers write that:—

"It has taken its stand as the text book of the Commercial, Political and Social world of Australia, and this statement is endorsed by the recorded opinions of the principal newspapers in Australia, Europe, and America, the London 'Times' declaring it to be 'A perfectly reliable and most instructive work of reference.'"

SOME PRESS OPINIONS.

"From every point of view it is a striking example of Australian progress and enterprise, and could probably not be beaten, if equalled, in any other country."—THE COLONIES AND INDIA (London).
"The book is a Gazetteer, Encyclopedia, and Blue Book in one."—SAN FRANCISCO CHRONICLE.
"Presents in its descriptions, facts, and figures a complete picture of Australia from every point of view."—INSURANCE TIMES (New York).
"Encyclopedia in the range and variety of its contents."—AUSTRALASIAN (Melbourne).
"The matter is well condensed and thoroughly reliable."—BRISBANE COURIER.

"Contains a vast mass of information on every subject of Australian interest useful to colonists."—SYDNEY MORNING HERALD.
"A valuable work of reference, and a perfect storehouse of information."—ARGUS (Melbourne).
"Our past experience has shown it to be most trustworthy."—SOUTH AUSTRALIAN REGISTER (Adelaide).
"It is in every sense of the word a truly representative work on Australia."—MERCURY (Hobart).
"Far more complete, comprehensive, and reliable than any work of a similar nature hitherto attempted for this colony."—WEST AUSTRALIAN (Perth).

Many hundred testimonials of the same gratifying and encouraging character have been received.
