## PREFACE.

**J**OHAN SANDS has again the pleasure of introducing his SYDNEY AND SUBURBAN DIRECTORY to the general public of Sydney and neighbourhood, and for their guidance would respectfully submit the following Key in order to facilitate reference.

The GENERAL INDEX (pages v. and vi.) is an alphabetically arranged list of every item in the book. Immediate reference to this will save much time and trouble.

The CITY STREETS DIRECTORY (pages 1 to 144) is arranged in alphabetical order of names of streets, showing where they commence, and the intersecting and terminal streets, together with the numbers of the houses in the main thoroughfares. This will be found very useful in tracing the exact locality of the more obscure and smaller houses.

The SUBURBAN DIRECTORY (pages 145 to 604) is compiled on the lines of the City streets, so far as possible. The respective Municipalities and Suburbs are shown in alphabetical order, with their boundaries, together with the rates, official lists, &c., corrected up to date.

The ALPHABETICAL DIRECTORY (pages 606 to 1030) contains the Institutions, also business, professional and private persons resident in Sydney and suburbs, arranged in alphabetical order in the following sequence:—Where entries commence with the same surname, institutions and public bodies take precedence; next come the names of public companies, followed by partnership firms, then the names of individual business and professional people, and lastly private persons.

A PASTORAL SECTION giving the names of the principal Sheep and Stock holders, together with the name of Station, Post Town, and Stock District, is included in this issue, which the publisher has no doubt will prove useful to the trading community. (See pages 1031 to 1076.)

An ECLESIASTICAL LIST is also included in the work. (See pages 1281 to 1283.)

For EDUCATIONAL LIST see pages 1276 to 1280.

The TRADES AND PROFESSIONAL DIRECTORY (pages 1077 to 1275) contains lists of the trading and professional community only. Index of headings will be found at pages xxix. to xxxiii. As much difficulty is experienced in gaining full and accurate information for this Section, it has been considered expedient to classify them according to the instructions given to the canvassers—a reference to similar trades being placed under each heading.

A list of the Justices of the Peace will be found on page 1190, compiled from official sources.

A list of leading European Manufacturers will be found at pages 1284 to 1285.

The MISCELLANEOUS DIRECTORY (pages 1286 to 1301) includes Governmental and Parliamentary Lists, Civil, Naval, and Military information, kindly revised to the latest date by Government and other officials, to whom the publisher tenders his best thanks.

A list of firms with fixed pay-days (pages 1309 to 1316) will be found useful in business circles.

Whilst thanking the subscribers and the public generally, the publisher begs to say that the whole of the information has been COLLECTED, COMPILED, AND PRINTED BY A STAFF RESIDENT IN AND KNOWING THE CITY AND SUBURBS; therefore this edition should be as complete and reliable as it is possible to render so voluminous a work.

**SPECIAL.**—Corrections for the 1900 edition should be forwarded not later than the first week in October, 1899. Communications connected with DIRECTORIES to be addressed to "Compiler," SANDS' DIRECTORIES, 374 George street, Sydney.
