SYDNEY STEAM LAUNDRY

CROWN AND STANLEY STREETS.

THE SYDNEY STEAM LAUNDRY is the most extensive establishment of the kind in the Australian Colonies. The management, by having a thorough practical knowledge of the systems and appliances adopted in the great American and North of Ireland Laundrying and Linen-Finishing Establishments, are enabled to finish, in a careful and superior style, in quick time and in all weathers, very large quantities of work at

VERY LOW PRICES.

Steamship Companies, Ships, Hotels, Clubs, Restaurants, Public Baths, or other Establishments having large quantities of work to wash, taken at special low rates—from 5 to 50 per cent. lower than the same class of work can be done for elsewhere.

INTERNATIONAL
Patent and Trade Marks Office,

23 ELIZABETH STREET, SYDNEY.

(Near Hunter Street).

TELEPHONE 1055.

Established—Melbourne, 1859 Sydney 1882. Brisbane, 1887.

MY Office for the transaction of all kinds of Business relating to Patents, Trade Marks and Copyrights, is at the above address, and I have the honour to respectfully draw your attention to the following:—

For the last forty-one years I have conducted a VERY CONSIDERABLE PROPORTION OF THE WHOLE OF THE PATENT BUSINESS OF THIS AND THE ADJOINING COLONIES, which has necessarily opened up to me many facilities; and given an experience which others have not acquired.

Any information as to Patents, Trade Marks, Copyrights and Designs throughout the world, and as to the likelihood and the cost of obtaining same, may be ascertained at the above office, which is under the management of **MR. FRED WALSH, J.P.**, a competent practical engineer and scientist, late Member of the Engineering Association of New South Wales, a Foreign Member of the Chartered Institute of Patent Agents, London, Fellow of the Australasian Institute of Patent Agents, Patent Attorney (Reg.) United States and Member Patent Law Association, Washington.

I do not offer to transact Business at unremunerative rates, such as are quoted by unqualified persons, but intend to make such charges as long experience has proved to be fair and reasonable, and would remind intending patentees that THE ART OF PREPARING SPECIFICATIONS FOR PATENTS IS ONE THAT IS SELDOM ACQUIRED BUT BY LONG PRACTICE AND EXPERIENCE, and that when Patents are obtained on Specifications unskillfully drawn they are of no avail, representing only just so much money thrown away.

I would also remind Importers, Manufacturers, and others of the necessity of registering their Trade Marks if they attach any value to them; for, whilst the law everywhere makes it a WISE AND A PRUDENT THING TO DO SO, there are some countries in which the law seems to offer encouragement to pirates to levy blackmail on honest dealers by allowing any person to register any mark, whether it is his own or not, and, when once registered, necessitating an appeal to the Supreme Court for redress.

EDWARD WATERS.

P.S.—I would particularly call your attention to the fact that my MR. FRED WALSH's repeated suggestions (during the last five years) for cheapening the cost of Patents are NOW IN FORCE, and that the expense of Patenting in New South Wales is reduced to considerably less than half the former charges, while provisional protection for twelve months is also procurable at very slight cost.—1st August, 1887.

P.P.S.—It is to be noted that the Trade Marks Act Amendment Act is NOW IN FORCE. By this measure it is not necessary for the prosecutor in criminal proceedings for infringement of Trade Mark to prove fraud; the onus of proving absence of fraud is thrown on the defendant. No proceedings can be successful unless the Trade Mark is DULY registered.—FRED WALSH, Manager for ED. WATERS.—17th April, 1893.

READY EARLY IN MARCH.

A NATIONAL WORK OF REFERENCE.

Among Annual Publications none holds a higher or more important position than that occupied by

The Year-Book of Australia,

which has become recognised throughout the British Empire, Europe, and America as an authoritative and reliable compendium of useful information relating to the Commercial, Political and Social Progress of Australia and Tasmania.

Its steadily-increasing success and prestige is illustrated by the fact that, commenced in 1882 as a book of 160 pages, it has been enlarged year by year until it now forms a volume of nearly 800 pages, demy octavo, of closely-printed matter, systematically arranged for ready reference, under the following heads:—

Administrative and Legislative.
Agricultural and Pastoral.
Annual Reviews of Banking, Building Societies, Commercial, Insurance, Mining, Postage, Stocks and Shares, Wool.
Art.
Ecclesiastical.
Educational.
Gazetteer.
Land and Land Laws.
Legal.

Literary and Kindred Subjects.
Local General Information.
Medical.
Military.
Mineral and Mining.
Naval, Imperial and Colonial.
Postal and Telegraphic.
Public Finances.
Railways and Tramways.
Sporting.
Statistics.

Many thousands of copies of *The Year-Book* are distributed by the Governments of the Australian Colonies, and by Colonial Merchants, throughout Europe and America.

The Year-Book is to be found in all the leading Government Departments and Public Libraries throughout the world.

H. H. Hayter, Esq., late Victorian Government Statist, Melbourne, wrote:—

"I consider the book one of the most valuable books of reference I know. . . . The merits of the book are such that it ought to have a large circulation, both at this end of the world and the other."

The London Publishers write that:—

"It has taken its stand as the text book of the Commercial, Political and Social world of Australia, and this statement is endorsed by the recorded opinions of the principal newspapers in Australia, Europe, and America, the London 'Times' declaring it to be 'A perfectly reliable and most instructive work of reference.'"

SOME PRESS OPINIONS.

"From every point of view it is a striking example of Australian progress and enterprise, and could probably not be beaten, if equalled, in any other country."—*THE COLONIES AND INDIA* (London)

"The book is a Gazetteer, Encyclopedia, and Blue Book in one."—*SAN FRANCISCO CHRONICLE*.

"Presents in its descriptions, facts, and figures a complete picture of Australia from every point of view."—*INSURANCE TIMES* (New York).

"Encyclopedic in the range and variety of its contents."—*AUSTRALASIAN* (Melbourne).

"The matter is well condensed and thoroughly reliable."—*BRISBANE COURIER*.

Many hundred testimonials of the same gratifying and encouraging character have been received.
