PREFACE.

SANDS' DIRECTORY.—COMMONWEALTH YEAR.

JOHNSANDS has again the pleasure of introducing his well-known **DIRECTORY** to the general public of Sydney and the Colony generally, and for their guidance would respectfully submit the following Key in order to facilitate reference.

The **GENERAL INDEX** (pages v. and vi.) is an alphabetically arranged list of every item in the book. Immediate reference to this will save much time and trouble.

The **CITY STREETS DIRECTORY** (pages 1 to 158) is arranged in alphabetical order of names of streets, showing where they commence, and the intersecting and terminal streets, together with the numbers of the houses in the main thoroughfares. This will be found very useful in tracing the exact locality of the more obscure and smaller houses.

The **SUBURBAN DIRECTORY** (pages 161 to 653) is compiled on the lines of the City streets, so far as possible. The respective Municipalities and Suburbs are shown in alphabetical order, with their boundaries, together with the rates, official lists, &c., corrected up to date.

A **COUNTRY COMMERCIAL DIRECTORY**, alphabetically arranged in Town order, has been introduced this year (pages 654 to 880).

The **ALPHABETICAL DIRECTORY** (pages 882 to 1358) contains the Institutions, also business, professional and private persons resident in Sydney and suburbs, arranged in alphabetical order in the following sequence :—Where entries commence with the same surname, institutions and public bodies take precedence ; next come the names of public companies, followed by partnership firms, then the names of individual business and professional people, and lastly private persons.

A **PASTORAL SECTION** giving the names of the principal Sheep and Stock holders, together with the name of Station, Post Town, and Stock District, is included, which the publisher has no doubt will prove useful to the trading community. (See pages 1361 to 1413.)

An **ECCELESIASTICAL LIST** is also included in the work. (See pages 1639 to 1641.)

For **EDUCATIONAL LIST**, see pages 1632 to 1638.

The **TRADES AND PROFESSIONAL DIRECTORY** (pages 1415 to 1631) contains lists of the trading and professional community only. Index of headings will be found at pages xxix. to xxxiii. As much difficulty is experienced in gaining full and accurate information for this Section, it has been considered expedient to classify them according to the instructions given to the canvassers—a reference to similar trades being placed under each heading.

A list of the Justices of the Peace will be found on pages 1541 to 1546, compiled from official sources.

A list of leading European Manufacturers will be found at pages 1642 and 1643.

The **MISCELLANEOUS DIRECTORY** (pages 1644 to 1650) includes Governmental and Parliamentary Lists, Civil, Naval, and Military information, kindly revised to the latest date by Government and other officials, to whom the publisher tenders his best thanks.

A list of firms with fixed pay-days (pages 1667 to 1675) will be found useful in business circles.

Whilst thanking the subscribers and the public generally, the publisher begs to say that the whole of the information has been **COLLECTED, COMPILED, AND PRINTED BY A STAFF RESIDENT IN AND KNOWING THE CITY AND SUBURBS**, whilst the Country information has been obtained from reliable sources ; therefore this edition should be as complete and reliable as it is possible to render so voluminous a work.

SPECIAL.—Corrections for the 1902 edition should be forwarded not later than the first week in October, 1901. Communications connected with **DIRECTORIES** to be addressed to "Compiler," **SANDS' DIRECTORIES**, 374 George street, Sydney.

374 GEORGE STREET, SYDNEY,
