HOTELS.

Instructions to Licensees and Applicants.

RENEWALS: PUBLICANS AND COLONIAL WINE.—Licensees should, before the expiration of their existing licenses, lodge their application for renewal, together with the old license, at the Court, and must also give a written notice to the District Inspector, at least ten days before it is to be heard at the Licensing Court. (Inspector Lenthall, Central Police Office, Liverpool street, is the Metropolitan District Inspector.) Applicants need not attend the Court unless they receive notice of objection, but they must, before the expiry of their licenses, obtain the certificate of renewal from the Court, which must be taken to the Treasurer, and the fee paid.

PUBLICANS' NEW, CONDITIONAL, AND COLONIAL WINE.—Applications can only be entertained at the quarterly meetings, held in January, April, July, and October, the exact days always being advertised. Fourteen days' notice is required. Three copies of application must be lodged in Court, one sent to the District Inspector, one posted on the outside door (in the case of existing premises), and an advertisement inserted in one newspaper published in the district, not less than seven days prior to the meeting. Applicants must attend the Court and produce advertisement.

BREWERS AND SPIRIT MERCHANTS.—Applications to be lodged in Court, giving sufficient time for the report of the police. Renewals can be obtained on expiry by lodging the old license at the Treasury, and paying the fee. Applicants must attend the Court when first applied for.

PACKET LICENSES are obtained on application to the Water Police Court upon giving sufficient notice to allow the police to report, which requires about seven days. Applicants need not attend the Court unless the application is objected to.

TRANSFERS.—Applications to transfer are to be made to the Court in sufficient time to allow the police to inquire and report (say seven days in ordinary cases). Transferor and transferee are both required to attend the Court. £2 fee must be paid before hearing.

REMOVALS can only be entertained at the quarterly meetings, and the same notices are required as for a new or conditional license.

BOOTH OR STAND LICENSES are obtained by application to the Court in time to allow the police to report. If granted the fee of £2 must be paid to the Treasury, with the Court certificate. Three renewals can be obtained without further fee, provided they are for the same continuous sport or event, but the permit cannot be granted for more than seven days at one time, and the license wholly expires at the end of twenty-eight days. In the case of new or conditional applications for publicans' licenses, where the local option vote in the locality is in the negative, it is useless to ask for such, unless the proposed premises contain at least thirty rooms, i.e., twenty-six rooms for the use of the public, and decent accommodation for the family of the licensee; and even then it is entirely optional with the Licensing Court to grant or refuse. In the Metropolitan Licensing District the Court days are on Mondays at the Central Police Court, and Wednesdays at the Water Police Court, at 12 noon, for business other than that which can only be taken at the quarterly meetings.

MUSIC PERMITS can be granted by any licensing magistrate, but in Sydney they are only usually granted on the weekly Court days.

Conducted by "The Little Company of Mary" Nursing Sisters.

MOUNT St. Margaret's beautifully appointed home for the treatment of the above-mentioned patients, stands on its own well laid out grounds of twenty-seven acres, and possesses all home comforts and luxuries, with nothing in its interior or exterior to remind patients, or their friends of their affliction. Patients are treated with the utmost skill and care of an experienced medical man, approved of by the Inspector-General for Insane, who also visits the house in his capacity.

The Sisters-in-conduct of the Home have been trained in the best Continental and British Institutions, notably "The Crichton Royal Institution," Scotland.

Many successful cases have been sent out, as shown in the books. For terms, apply to the

MOTHER SUPERIOR, Mount St. Margaret, Ryde.

The Home is undenominational.

SYDNEY STEAM LAUNDRY

CROWN AND STANLEY STREETS.

THE SYDNEY STEAM LAUNDRY is the most extensive establishment of the kind in the Australian Colonies. The management, by having a thorough practical knowledge of the systems and appliances adopted in the great American and North of Ireland Laundrying and Linen-Finishing Establishments, are enabled to finish, in a careful and superior style, in quick time and in all weathers, very large quantities of work at

VERY LOW PRICES.

Steamship Companies, Ships, Hotels, Clubs, Restaurants, Public Baths, or other Establishments having large quantities of work to wash, taken at special low rates—from 5 to 50 per cent. lower than the same class of work can be done for elsewhere.

VANS COLLECT AND DELIVER GOODS IN CITY AND SUBURBS.

INTERNATIONAL Patent and Trade Marks Office,

23 ELIZABETH STREET, SYDNEY

(Near Hunter Street).

TELEPHONE 1055.

Established—Melbourne, 1859

Sydney 1882.

Brisbane, 1887.

MY Office for the transaction of all kinds of Business relating to Patents, Trade Marks and Copyrights, is at the above address, and I have the honour to respectfully draw your attention to the following:—

For the last forty-two years I have conducted A VERY CONSIDERABLE PROPORTION OF THE WHOLE OF THE PATENT BUSINESS OF THIS AND THE ADJOINING COLONIES, which has necessarily opened up to me many facilities, and given an experience which others have not acquired.

Any information as to Patents, Trade Marks, Copyrights and Designs throughout the world, and as to the likelihood and the cost of obtaining same, may be ascertained at the above office, which is under the management of MR. FRED WALSH, J.P., a competent practical engineer and scientist, late Member of the Engineering Association of New South Wales, a Foreign Member of the Chartered Institute of Patent Agents, London, Fellow of the Australasian Institute of Patent Agents, Patent Attorney (Reg.) United States and Member Patent Law Association, Washington.

I do not offer to transact Business at unremunerative rates, such as are quoted by unqualified persons, but intend to make such charges as long experience has proved to be fair and reasonable, and would remind intending patentees that THE ART OF PREPARING SPECIFICATIONS FOR PATENTS IS ONE THAT IS SELDOM ACQUIRED BUT BY LONG PRACTICE AND EXPERIENCE, and that when Patents are obtained on Specifications unskilfully drawn they are of no avail, representing only just so much money thrown away.

I would also remind Importers, Manufacturers, and others of the necessity of registering their Trade Marks if they attach any value to them; for, whilst the law everywhere makes it a WISE AND A PRUDENT THING TO DO SO, there are some countries in which the law seems to offer encouragement to pirates to levy blackmail on honest dealers by allowing any person to register any mark, whether it is his own or not, and, when once registered, necessitating an appeal to the Supreme Court for redress.

EDWARD WATERS.

P.S.—I would particularly call your attention to the fact that my MR. FRED WALSH's repeated suggestions (during the last five years) for cheapening the cost of Patents are NOW IN FORCE, and that the expense of Patenting in New South Wales is reduced to considerably less than half the former charges, while provisional protection for twelve months is also procurable at very slight cost.—1st August, 1887.

P.P.S.—It is to be noted that the Trade Marks Act Amendment Act is NOW IN FORCE. By this measure it is not necessary for the prosecutor in criminal proceedings for infringement of Trade Mark to prove fraud; the onus of proving absence of fraud is thrown on the defendant. No proceedings can be successful unless the Trade Mark is DULY registered.—FRED WALSH, Manager for ED. WATERS.—17th April, 1893.
