SYDNEY STEAM LAUNDRY

CROWN AND STANLEY STREETS.

THE SYDNEY STEAM LAUNDRY is the most extensive establishment of the kind in the Australian Colonies. The management, by having a thorough practical knowledge of the systems and appliances adopted in the great American and North of Ireland Laundrying and Linen-Finishing Establishments, are enabled to finish, in a careful and superior style, in quick time and in all weathers, very large quantities of work at

VERY LOW PRICES.

Steamship Companies, Ships, Hotels, Clubs, Restaurants, Public Baths, or other Establishments having large quantities of work to wash, taken at special low rates—from 5 to 50 per cent. lower than the same class of work can be done for elsewhere.

VANS COLLECT AND DELIVER GOODS IN CITY AND SUBURBS.

OVER TWENTY YEARS PERSONAL PRACTICE.

INTERNATIONAL
PATENTS, TRADE-MARKS, DESIGNS & COPYRIGHTS.

FRED WALSH, Patent Agent.

Telephone 1055.

23 ELIZABETH STREET,

Sydney, 1st October, 1901.

I practice my profession of **Patents, Trade-Marks, Designs and Copyrights Agent** at the above address, and would respectfully ask an extension to me of that valued esteem and confidence which I have personally enjoyed in the past. I will be found still as assiduous as ever in the interests of inventors and others concerned, and my endeavours to afford professional assistance at reasonable cost will be in nowise abated. Having no longer to share, I am able to transact business at **Reduced Charges**.

I would recall that I am a practical Engineer (serving my apprenticeship at Mort's Dock, Balmain) and Scientist, late member of the Engineering Association of New South Wales, and late Fellow and Past President of the Australian Institute of Patent Agents, Foreign member of the Chartered Institute of Patent Agents, London, Registered Patent Attorney, U.S.A., and Member of the Patent Law Association, Washington.

I have an extensive professional experience of over 23 years, and for the last 19 years have personally conducted a **very considerable proportion of the whole of the Patent and Trade-Mark Business of this State** in this State, in Australasia, and in other countries, whereby I have acquired many facilities and opportunities for business which others do not possess.

The outcome of my endeavours, persistently exerted during the five years prior to 1st August, 1887, resulted in amendment of the Patent Law of New South Wales, reducing the cost of Patents and providing for provisional protection. In addition, many beneficent alterations in the practice of the Patents and Trade Marks Offices of this State followed upon my suggestion, and so made things easier for those interested.

I make such **Reduced Charges** as long experience has proved to be fair and reasonable, and would remind intending patentees that **The Drafting of Specifications for Patents, and particularly the claims thereof, is an Art seldom acquired but by long practice and experience**, and that Patents founded on Specification unskillfully prepared are worthless, and represent only loss of the money expended upon them.

Importers, Manufacturers, and others, should register their Trade Marks if of any value, for **it is always wise and prudent to do so**. In some countries the law seems to offer possibility to dishonest persons to register the marks of others, and when once registered necessitating a suit by the rightful owner in the higher Courts for redress.

I make a speciality of searching as to the worth of **Patents**, of reporting on the intent and scope of claims, and of adjudging infringement. I can claim a unique experience in such matters, having been consulted in these by most of the prominent solicitors, as well as by the most important trading firms and concerns of the State. I give especial attention to designing and recommending of **Trade-Marks**, and all matters in connection with the devolution of title in same; to the law of **Designs**—useful and Ornamental—and the law of **Copyright**, including Literary, Artistic, Dramatic, Musical and Fine Arts, I have devoted considerable study.

Information as to everything in connection with **Patents, Trade-Marks, Copyrights and Designs** throughout the world, and as to the likelihood and the cost of obtaining same, and of exploiting same, will be freely given at the above address, where I transact all kinds of business relating to such matters.

FRED WALSH,
23 ELIZABETH STREET, near Hunter Street,

READY EARLY IN MARCH.

A NATIONAL WORK OF REFERENCE.

AMONG Annual Publications none holds a higher or more important position than that occupied by

The Year-Book of Australia,

which has become recognised throughout the British Empire, Europe, and America as an authoritative and reliable compendium of useful information relating to the Commercial, Political and Social Progress of Australia and Tasmania.

Its steadily-increasing success and prestige is illustrated by the fact that, commenced in 1882 as a book of 160 pages, it has been enlarged year by year until it now forms a volume of nearly 900 pages, demy octavo, of closely-printed matter, systematically arranged for ready reference, under the following heads:—

Administrative and Legislative.
Agricultural and Pastoral.
Annual Reviews of Banking, Building Societies, Commercial, Insurance, Mining, Postage, Stocks and Shares, Wool.
Art.
Ecclesiastical.
Educational.
Gazetteer.
Land and Land Laws.
Legal.

Literary and Kindred Subjects.
Local General Information.
Medical.
Military.
Mineral and Mining.
Naval, Imperial and Colonial.
Postal and Telegraphic.
Public Finances.
Railways and Tramways.
Sporting.
Statistics.
Tariff.

Many [thousands of copies] of The Year-Book are distributed by the Governments of the Australian Colonies, and by Colonial Merchants, throughout Europe and America.

The Year-Book is to be found in all the leading Government Departments and Public Libraries throughout the world.

H. H. Hayter, Esq., late Victorian Government Statist, Melbourne, wrote:—

"I consider the book one of the most valuable books of reference I know. . . . The merits of the book are such that it ought to have a large circulation, both at this end of the world and the other."

The London Publishers write that:—

"It has taken its stand as the text book of the Commercial, Political and Social world of Australia, and this statement is endorsed by the recorded opinions of the principal newspapers in Australia, Europe, and America, the London 'Times' declaring it to be 'A perfectly reliable and most instructive work of reference.'"

SOME PRESS OPINIONS.

"From every point of view it is a striking example of Australian progress and enterprise, and could probably not be beaten, if equalled, in any other country."—THE COLONIES AND INDIA (London)
"The book is a Gazetteer, Encyclopedia, and Blue Book in one."—SAN FRANCISCO CHRONICLE.
"Presents in its descriptions, facts, and figures a complete picture of Australia from every point of view."—INSURANCE TIMES (New York).
"Encyclopedic in the range and variety of its contents."—AUSTRALASIAN (Melbourne).
"The matter is well condensed and thoroughly reliable."—BRISBANE COURIER.

"Contains a vast mass of information on every subject of Australian interest useful to colonists." SYDNEY MORNING HERALD.
"A valuable work of reference, and a perfect storehouse of information."—ARGUS (Melbourne).
"Our past experience has shown it to be most trustworthy."—SOUTH AUSTRALIAN REGISTER (Adelaide).
"It is in every sense of the word a truly representative work on Australia."—MERCURY (Hobart).
"Far more complete, comprehensive, and reliable than any work of a similar nature hitherto attempted for this colony."—WEST AUSTRALIAN (Perth).

Many hundred testimonials of the same gratifying and encouraging character have been received.
