PREFACE.

SANDS' DIRECTORY.

JOHN SANDS has again the pleasure of introducing his well-known DIRECTORY to the general public of Sydney and the State generally, and for their guidance would respectfully submit the following Key, in order to facilitate reference.

The GENERAL INDEX (pages v. and vi.) is an alphabetically-arranged list of every item in the book. Immediate reference to this will save much time and trouble.

The CITY STREETS DIRECTORY (pages 1 to 158) is arranged in alphabetical order of names of streets, showing where they commence, and the intersecting and terminal streets, together with the numbers of the houses in the main thoroughfares. This will be found very useful in tracing the exact locality of the more obscure and smaller houses.

The SUBURBAN DIRECTORY (pages 161 to 666) is compiled on the lines of the City streets, so far as possible. The respective Municipalities and Suburbs are shown in alphabetical order, with their boundaries, together with the rates, official lists, &c., corrected up to date.

The ALPHABETICAL DIRECTORY (pages 667 to 1242) contains the Institutions, also names of business, professional and private persons resident in Sydney and suburbs, arranged in alphabetical order in the following sequence:—Where entries commence with the same surname, institutions and public bodies take precedence; next come the names of public companies, followed by partnership firms, then the names of individual business and professional people, and lastly private persons.

The TRADES AND PROFESSIONAL DIRECTORY (pages 1243 to 1489) contains lists of the trading and professional community only. Index of headings will be found at pages xxxiii. to xxxvii. As much difficulty is experienced in gaining full and accurate information for this Section, it has been considered expedient to classify them according to the instructions given to the canvassers—a reference to similar trades being placed under each heading.

A COUNTRY COMMERCIAL DIRECTORY, alphabetically arranged in Town order, will be found on Pages 1A to 216A, and an Alphabetical List of the Country Trading Community falls on pages 1B to 144B.

A PASTORAL SECTION (with a complete Index of Stations), giving the names of the principal Sheep and Stock holders, together with the names of Station, Post Town, Number of Horses, Cattle and Sheep on each Station, according to the respective Stock Districts will be found in Section C. (pages 1c-128c), compiled from the Returns sent into the various Pastures Protection Boards, in the compilation of which the Publisher has to acknowledge with best thanks the hearty co-operation and assistance of the Chairmen and Secretaries of the great majority of the Boards.

An ECOLESIASTICAL LIST is also included in the work. (See pages 1496 to 1498.)

For EDUCATIONAL LIST, see pages 1491 to 1495.

A list of the JUSTICES OF THE PEACE will be found on pages 1378 to 1389, compiled from official sources.

A list of leading EUROPEAN MANUFACTURERS will be found at pages 1499 and 1500.

The MISCELLANEOUS DIRECTORY (pages 1501 to 1519) includes Commonwealth and State Governmental and Parliamentary Lists, also Civil, Naval, and Military information, kindly revised to the latest date by Government and other officials, to whom the Publisher tenders his best thanks.

A list of FIRMS WITH FIXED PAY-DAYS (pages 1523 to 1533) will be found useful in business circles.

Whilst thanking the subscribers and the public generally, the Publisher begs to say that the whole of the information has been COLLECTED, COMPILED, AND PRINTED BY A STAFF RESIDENT IN, AND ACQUAINTED WITH, THE CITY AND SUBURBS, whilst the Country information has been obtained from reliable sources; therefore this edition should be as complete and reliable as it is possible to render so voluminous a work.

SPECIAL.—Corrections for the 1906 Edition should be forwarded not later than the first week in October, 1905. Communications connected with DIRECTORIES to be addressed to "Compiler," SANDS' DIRECTORIES, 374 George street, Sydney.

CABLE AND TELEGRAPHIC ADDRESS :
"EMBALMER."

We have been conducting the LARGEST FUNERAL BUSINESS IN N.S.W., during which time it has been our privilege to perform "the last kind offices to mortal need," to over 40,000 fellow-creatures. This unblemished record is the result of a skilled and experienced staff, who conduct their duties with care, decorum, and reverence. We have just completed large and extensive alterations at our Head Offices. Perfectly-Equipped Funeral Parlors have been added. Funeral Services can be held, and Funerals move therefrom.

We were the FIRST Certificated Embalmers in N.S.W., and have a skilled lady in attendance.

High-grade Funeral Work only is combined with Reasonable Charges, and the whole of this large business is under the direct and personal supervision of the Principal—ARTHUR C. J. WOOD.
