WORK IN SIGHT means a character directly in front of the operator the instant it is made, and never afterwards passing out of sight.

Compare the UNDERWOOD with other Typewriters. An investigation will demonstrate to you conclusively why conservative business men are giving the UNDERWOOD the preference over all other makes, and why the United States Government has, within a period of six months, purchased first 250 and again 150 of these machines. and EMBALMERS of N.S.W.

Two facts which say all that can be said—nearly FIFTY YEARS experience, during which we have performed "the last kind offices to mortal need" for over FORTY THOUSAND fellow creatures.

Our experience is unique; our plant and equipment the largest and best; our charges the most reasonable; our motto: 'Reverence and Decorum.'

We have been conducting the LARGEST FUNERAL BUSINESS IN N.S.W., during which time it has been our privilege to perform "the last kind offices to mortal need," to over 40,000 fellow-creatures. This unblemished record is the result of a skilled and experienced staff, who conduct their duties with care, decorum, and reverence. We have just completed large and extensive alterations at our Head Offices. Perfectly-Equipped Funeral Parlors have been added. Funeral Services can be held, and Funerals move therefrom.

We were the FIRST Certificated Embalmers in N.S.W., and have a skilled lady in attendance.

High-grade Funeral Work only is combined with Reasonable Charges, and the whole of this large business is under the direct and personal supervision of the Principal—ARTHUR C. J. WOOD.

Special Features.

DEBT COLLECTION.

OUR system is the most perfect yet devised. We employ a regular staff of expert collectors; and merchants traders, property owners, and professional men find it cheaper, safer, and more advantageous to entrust us, not only with the recovery of bad debts, but with the regular collection of ordinary accounts, than to employ a private collector. ALL MONIES COLLECTED ARE PLACED TO THE CREDIT OF A SEPARATE TRUST ACCOUNT, WHICH IS REGULARLY AUDITED, AND REPORTS, STATEMENTS, AND CHEQUES ARE FORWARDED MONTHLY TO SUBSCRIBERS. Our reputation for recovering what are considered *BAD DEBTS* is now firmly established. Not only SKILLED COLLECTORS, but TRUSTWORTHY AGENTS and LEADING SOLICITORS are everywhere employed in the work, and rarely if ever are we baffled in dealing with a dishonest debtor who has any possible means of satisfying a claim.

Among other departments of our business, we may mention **OUR ENQUIRY DEPARTMENT**, the work of which is characterized by accuracy, completeness and promptness.

Our Business Exchange, which deals with the purchase and sale of businesses and the negotiation of partnerships, and

Our Accountancy Department, which deals with the preparation of statements, balance sheets, and accounts in bankruptcy; the arranging of meetings of creditors, assignments and compositions; and the keeping and auditing of traders' books.

All these departments are under the control of tried and experienced men, each and all experts in their particular line.

Our Charges are actually lower than those of any other leading firm.

The reason of this is that we are *more successful in obtaining results*, and can therefore afford to rely more upon commissions actually earned than upon high subscription charges. *Our profits depend more than those of any other firm upon the real efficiency of our work.*

All subscribers enjoy the advantage of access to **FREE LEGAL ADVICE.**

This boon to business people is secured by special arrangements with our Solicitors, who are practitioners of the highest repute and standing.
