PREFACE.

SANDS' DIRECTORY.

JOHN SANDS has again the pleasure of introducing his well-known DIRECTORY to the general public of Sydney and the State generally, and for their guidance would respectfully submit the following Key, in order to facilitate reference.

The GENERAL INDEX and INDEX TO NAMES OF BUILDINGS, CHAMBERS, TERRACES, ETC. (pages v.-vi. and xxxvi.) is an alphabetically arranged list of every item in the book. Immediate reference to these will save much time and trouble.

The CITY STREETS DIRECTORY (pages 1 to 159) is arranged in alphabetical order of names of streets, showing where they commence, and the intersecting and terminal streets, together with the numbers of the houses in the main thoroughfares. This will be found very useful in tracing the exact locality of the more obscure and smaller houses.

The SUBURBAN DIRECTORY (pages 161 to 695) is compiled on the lines of the City streets, so far as possible. The respective Municipalities and Suburbs are shown in alphabetical order, with their boundaries, together with the rates, official lists, &c., corrected up to date.

The ALPHABETICAL DIRECTORY (pages 697 to 1315) contains the Institutions, also names of business, professional and private persons resident in Sydney and suburbs, arranged in alphabetical order in the following sequence:—Where entries commence with the same surname, institutions and public bodies take precedence; next come the names of public companies, followed by partnership firms, then the names of individual business and professional people, and lastly private persons.

The TRADES AND PROFESSIONAL DIRECTORY (pages 1317 to 1577) contains lists of the trading and professional community only. Index of headings will be found at pages xxxvii. to xli. As much difficulty is experienced in gaining full and accurate information for this Section, it has been considered expedient to classify them according to the instructions given to the canvassers—a reference to similar trades being placed under each heading.

A COUNTRY COMMERCIAL DIRECTORY, alphabetically arranged in Town order, will be found on pages 1A to 190A, and an Alphabetical List of the Country Trading Community falls on pages 1B to 180B.

A PASTORAL SECTION (with a complete Index of Stations), giving the names of the principal Sheep and Stock holders, together with the names of Station, Post Town, Number of Horses, Cattle and Sheep on each Station, according to the respective Stock Districts, will be found in Section C. (pages 1C-173C), compiled from the Returns supplied to the Government by the Secretaries of the various Pastures Protection Boards, in the compilation of which the Publisher has to acknowledge with best thanks the great obligation he is under to the Minister for Lands, and the kindness and valuable assistance on the part of the Officers of the Stock Department.

An ECLESIASTICAL LIST is also included in the work. (See pages 1584 to 1586.)

For EDUCATIONAL LIST, see pages 1578 to 1583.

A list of the JUSTICES OF THE PEACE will be found on pages 1462 to 1472, compiled from official sources.

A list of leading EUROPEAN MANUFACTURERS will be found at pages 1587 and 1588.

The MISCELLANEOUS DIRECTORY (pages 1589 to 1608) includes Commonwealth and State Governmental and Parliamentary Lists, also Civil, Naval, and Military information, kindly revised to the latest date by Government and other officials, to whom the Publisher tenders his best thanks.

A list of FIRMS WITH FIXED PAY-DAYS (pages 1613 to 1624) will be found useful in business circles.

Whilst thanking the subscribers and the public generally, the Publisher begs to say that the whole of the information has been COLLECTED, COMPILED, AND PRINTED BY A STAFF RESIDENT IN, AND ACQUAINTED WITH, THE CITY AND SUBURBS, whilst the Country information has been obtained from reliable sources; therefore this edition should be as complete and reliable as it is possible to render so voluminous a work.

SPECIAL.—Corrections for the 1908 Edition should be forwarded not later than the first week in October, 1907. Communications connected with DIRECTORIES to be addressed to "Compiler," SANDS' DIRECTORIES, 374 George street, Sydney.

Wood & Company,

FUNERAL DIRECTORS and EMBALMERS

FOUNDED in 1856 by William H. Wood, we have since that time steadily kept abreast with the improvements of the age—building an unblemished reputation upon the solid foundation of our clients' justified confidence—and at the present time the name **WOOD & COMPANY** is a synonym for absolute reliability in reverently and decorously attending to all details incidental to Funeral Work.

With our vast experience, perfect equipment (aided by the latest machinery in our workshops), combined with personal supervision, we are enabled to give **BETTER VALUE** at 10% **LOWER RATES** than any other firm.

Situated at the Head Office is a Mortuary Chapel and Funeral Parlor (the first in Australasia), which have been largely availed of since their inception, and in which Funeral Services may be held by clients free of charge. **INSPECTION IS RESPECTFULLY INVITED.**
