PREFACE.

SANDS' DIRECTORY.

JOHN SANDS LTD. have again the pleasure of introducing their well-known **DIRECTORY** to the general public of Sydney and the State generally, and for their guidance would respectfully submit the following Key, in order to facilitate reference.

The **GENERAL INDEX** and **INDEX TO NAMES OF BUILDINGS, CHAMBERS, PARKS, TERRACES, ETC.** (pages v.-vi. & xxxvii.-xl.) is an alphabetically arranged list of every item in the book. Immediate reference to these will save much time and trouble.

The **CITY STREETS DIRECTORY** (pages 1 to 168) is arranged in alphabetical order of names of streets, showing where they commence, and the intersecting and terminal streets, together with the numbers of the houses in the main thoroughfares. This will be found very useful in tracing the exact locality of the more obscure and smaller houses.

The **SUBURBAN DIRECTORY** (pages 169 to 834) is compiled on the lines of the City streets, so far as possible. The respective Municipalities and Suburbs are shown in alphabetical order, with their boundaries, together with the rates, official lists, &c., corrected up to date.

The **ALPHABETICAL DIRECTORY** (pages 835 to 1605) contains the Institutions, also names of business, professional and private persons resident in Sydney and suburbs arranged in alphabetical order in the following sequence:—Where entries commence with the same surname, institutions and public bodies take precedence; next come the names of public companies, followed by partnership firms, then the names of individual business and professional people, and lastly private persons.

The **TRADES AND PROFESSIONAL DIRECTORY** (pages 1607 to 1884) contains lists of the trading and professional community only. Index of headings will be found at pages xliii. to xlvii. As much difficulty is experienced in gaining full and accurate information for this Section, it has been considered expedient to classify them according to the instructions given to the canvassers—a reference to similar trades being placed under each heading.

A **COUNTRY COMMERCIAL DIRECTORY**, alphabetically arranged in Town order, will be found on pages 1A to 256A, and an Alphabetical List of the Country Trading Community falls on pages 1B to 166B.

A **PASTORAL SECTION**, giving the names of the principal Sheep and Stock holders, together with the names of Station, Post Town, Number of Horses, Cattle and Sheep on each Station, according to the respective Stock Districts, will be found in Section C. (pages 1C-213C), compiled from the Returns supplied to the Government by the Secretaries of the various Pastures Protection Boards, in the compilation of which the Publishers have to acknowledge with best thanks the great obligation they are under to the Minister for Lands, and the kindness and valuable assistance on the part of the Officers of the Stock Department.

MUSICAL AND SPORTING CLUBS AND ASSOCIATIONS, pages 1887 to 1890

An **ECCLIASTICAL LIST** is also included in the work. (See pages 1896 to 1899),

For **EDUCATIONAL LIST**, see pages 1891 to 1896.

A list of the **JUSTICES OF THE PEACE** will be found on pages 1751 to 1762 compiled from official sources.

A list of leading **EUROPEAN MANUFACTURERS** will be found at page 1900.

The **MISCELLANEOUS DIRECTORY** (pages 1901 to 1925) includes Commonwealth and State Governmental and Parliamentary Lists, also Civil, Naval, and Military information, kindly revised to the latest date by Government and other officials, to whom the Publishers tender their best thanks.

A list of **FIRMS WITH FIXED PAY-DAYS** (pages 1926 to 1932) will be found useful in business circles.

INTEREST CALCULATOR will be found on page 1923.

Whilst thanking the subscribers and the public generally, the Publishers beg to say that the whole of the information has been **COLLECTED, COMPILED, AND PRINTED BY A STAFF RESIDENT IN, AND ACQUAINTED WITH, THE CITY AND SUBURBS**, whilst the Country information has been obtained from reliable sources; therefore this edition should be as complete and reliable as it is possible to render so voluminous a work.

SPECIAL.—Corrections for the 1913 Edition should be forwarded not later than the first week in October, 1912. Communications connected with **DIRECTORIES** to be addressed to "Compiler," **SANDS' DIRECTORIES**, 374 George street, Sydney.
