# CRANE'S CEILINGS

Art Metal

By specifying Crane's Art Metal Ceilings for your new home, you effect a positive first cost saving, besides assuring that complete ceiling satisfaction which obtains when beauty of design is allied to great durability.

These Ceilings are made from the best English Cold Rolled and Close Annealed Steel Sheets, coated on both sides with zinc composition as a proof against corrosion.

They are easy to erect, and obviate all the mess and worry attaching to plaster work, whilst the colour scheme can be changed at will.

In addition, Crane's Art Metal Ceilings

*are fire-resisting,  
 vermin and white-ant proof,  
 perfectly sanitary, easy to clean,  
 will not warp, split, crack or fall,  
 proof against moisture and climatic changes.*

## ARTISTIC and DISTINCTIVE.

We have hundreds of designs, each in harmony with modern architecture, and in keeping with cultured taste.

You should call and inspect our display of designs. If you cannot do so, you should certainly write for our splendidly-illustrated catalogue, sent post free anywhere.

# G.E.Crane & Sons Ltd.

Head Office and Showrooms:
