The Choicest of all Gifts is a PIANOLA-PIANO (STECK & STEINWAY PIANO)

For the Wife—The **PIANOLA-PIANO** gives the wife the pleasure of renewing her acquaintance with the pieces she "used to play," and also of performing many compositions that were beyond her ability even when her technique was at its best.

For the Daughters—If there are daughters in the family who are taking music lessons, the **PIANOLA-PIANO** supplies the requirements of hand-playing just as successfully as though the Pianola were not built into it.

For the Sons—The **PIANOLA-PIANO** provides a new and powerful interest in the home. Evenings which might otherwise be idle profitably spent will be occupied in playing over the latest and brightest of the current music—the light operatic hits and the newest dance music.

For the Children—A real educational force can easily be made of the **PIANOLA-PIANO**. Children can be given a taste for the best composers and a broad familiarity with the great art of music that will be of value to them all their lives.

For the Man—A man who may not know one note from another suddenly finds himself endowed with the ability to play anything and everything in the whole wonder world of music. There is rest for tired nerves in playing for **YOURSELF** whatever class of music your tastes dictate.

Do not confuse the Pianola-Piano with its imitators.

It is most important to the purchaser to realise that the **Pianola** and **Pianola-Piano** are not terms applying to piano-playing instruments in general.

ONLY THE **PIANOLA COMPANY** MAKES THE GENUINE **PIANOLA**.

Write for Catalogue of the **Pianola-Piano**—sent free for the asking.

The Pianola Company, 357 George Street, SYDNEY
