 Street.

MELBOURNE: Gordon & Gotch Proprietary Limited
 Queen Street.

PERTH: Messrs Wigg & Son Ltd., Hay Street.

READY EARLY IN MARCH.

A NATIONAL WORK OF REFERENCE.

Among Annual Publications none holds a higher or more important position than that occupied by

The Year-Book of Australia,

which has become recognised throughout the British Empire, Europe, and America as an authoritative and reliable compendium of useful information relating to the Commercial, Political and Social Progress of Australia and Tasmania.

Its steadily-increasing success and prestige is illustrated by the fact that, commenced in 1882 as a book of 160 pages, it has been enlarged year by year until it now forms a volume of nearly 900 pages, demy octavo, of closely-printed matter, systematically arranged for ready reference, under the following heads.—

Administrative and Legislative.
Agricultural and Pastoral.
Annual Reviews of Banking, Building Societies, Commercial Insurance, Mining, Postage, Stocks and Shares, Wool.
Art.
Ecclesiastical.
Educational.
Gazetteer.
Land and Land Laws.
Legal.

Literary and Kindred Subjects.
Local General Information.
Medical.
Military.
Mineral and Mining.
Naval, Imperial and Colonial.
Postal and Telegraphic.
Public Finances.
Railways and Tramways.
Sporting.
Statistics.
Tariff.

Many thousands of copies of *The Year-Book* are distributed by the Governments of the Australian States, and by Colonial Merchants, throughout Europe and America.

The Year-Book is to be found in all the leading Government Departments and Public Libraries throughout the world.

NOW READY.

The Year-Book of New South Wales, 1912

VIOLIN MAKERS.

BRIDGES S. A., Violinist, Violin Maker and Repairer. Bows Relined, Pianos, Mandolins, Accordions, Concertinas, Banjos, Guitars Tuned and Repaired. Pupils Received. 439 Elizabeth st, Sydney. **N.B.—S. A. B.** Challenges to Make a Violin against any Person in the World. Test Proof, Superior Quality and Quality of Tone, Gritty, Grating, Rasping Toned Fiddles (called Violins), are yearly sent to the Colonies. The Dearest are no better than the Cheapest as regards Beauty of Tone, in that respect they are all alike and only fit for firewood. The Varnish on them is the cause of their being so. To play on them a person requires the head of a donkey, with ears of a mule and a nerve strong as an ox to stand such torture. Many of them having grip enough to make one's flesh creep, your hair rise, or set your teeth on edge. My Varnish produces Musical Tones that when played upon sing as if there were a human soul within.
