JOHN SANDS' LOOSE-LEAF SYSTEMS.

You should adopt the Loose-Leaf System in your office. Authority sanctions and use recommends it. But in departing from old methods you will need expert advice, in order to gain full benefit by the change. As successful **Business Systematists** we can assure this to you.

To secure perfect handling of our Systems, we manufacture the famous "S.S." Binders, whose perfect mechanism makes them equally suitable for all classes of Business and every kind of record. These Binders have an impregnable check-lock to secure the leaves against removal.

They cannot get out of order. They have no weak part to snap or bend. Their abnormal and unique expansion quite obviates the trouble common to all other Loose-Leaf Books in Inserting and Extracting Leaves. They will hold in perfect alignment 1,000 sheets.

WRITE, CALL OR 'PHONE, and one of our Trained Staff will demonstrate our Loose-Leaf method of dealing with **Ledger, Stock, Cash-Book, Journal, Sales, Costs, etc.**

Let us show you how Accuracy is Assured and Calling Back Abolished by the use of Our **Check-Figure** System.

It **Corrects Errors as they arise**, in Posting, Additions, Subtractions, Extensions, and all **Miscellaneous Calculations**.
