PREFACE.

SANDS' DIRECTORY.

JOHN SANDS LTD. have again the pleasure of introducing their well-known DIRECTORY to the general public of Sydney and the State generally, and for their guidance would respectfully submit the following Key, in order to facilitate reference.

The GENERAL INDEX and INDEX TO NAMES OF BUILDINGS, CHAMBERS, PARKS, TERRACES, ETC. (pages v.-vi. & xli.-xliv.) is an alphabetically arranged list of every item in the book. Immediate reference to these will save much time and trouble.

The CITY STREETS DIRECTORY (pages 1 to 168) is arranged in alphabetical order of names of streets, showing where they commence, and the intersecting and terminal streets, together with the numbers of the houses in the main thoroughfares. This will be found very useful in tracing the exact locality of the more obscure and smaller houses.

The SUBURBAN DIRECTORY (pages 169 to 908) is compiled on the lines of the City streets, so far as possible. The respective Municipalities and Suburbs are shown in alphabetical order, with their boundaries, together with the rates, official lists, &c., corrected up to date.

The ALPHABETICAL DIRECTORY (pages 909 to 1763) contains the Institutions, also names of business, professional and private persons resident in Sydney and suburbs arranged in alphabetical order in the following sequence:—Where entries commence with the same surname, institutions and public bodies take precedence; next come the names of public companies, followed by partnership firms, then the names of individual business and professional people, and lastly private persons.

The TRADES AND PROFESSIONAL DIRECTORY (pages 1765 to 2080) contains lists of the trading and professional community only. Index of headings will be found at pages xliv. to xlviii. As much difficulty is experienced in gaining full and accurate information for this Section, it has been considered expedient to classify them according to the instructions given to the canvassers—a reference to similar trades being placed under each heading.

A COUNTRY COMMERCIAL DIRECTORY, alphabetically arranged in Town order, will be found on pages 1A to 219A, and an Alphabetical List of the Country Trading Community falls on pages 1B to 171B.

A PASTORAL SECTION, giving the names of the principal Sheep and Stock holders, together with the names of Station, Post Town, Number of Horses, Cattle and Sheep on each Station, according to the respective Stock Districts, will be found in Section C. (pages 1C-211C), compiled from the Returns supplied to the Government by the Secretaries of the various Pastures Protection Boards, in the compilation of which the Publishers have to acknowledge with best thanks the great obligation they are under to the Minister for Lands, and the kindness and valuable assistance on the part of the Officers of the Stock Department.

MUSICAL AND SPORTING CLUBS AND ASSOCIATIONS, pages 2083 to 2086

An ECCLESIASTICAL LIST is also included in the work. (See pages 2092 to 2095), For EDUCATIONAL LIST, see pages 2087 to 2092.

A list of the JUSTICES OF THE PEACE will be found on pages 1926 to 1939, compiled from official sources.

A list of leading EUROPEAN MANUFACTURERS will be found at page 2096.

The MISCELLANEOUS DIRECTORY (pages 2097 to 2122) includes Commonwealth and State Governmental and Parliamentary Lists, also Civil, Naval, and Military information, kindly revised to the latest date by Government and other officials, to whom the Publishers tender their best thanks.

A list of FIRMS WITH FIXED PAY-DAYS (pages 2128 to 2136) will be found useful in business circles.

INTEREST CALCULATOR will be found on page 2120.

Whilst thanking the subscribers and the public generally, the Publishers beg to say that the whole of the information has been COLLECTED, COMPILED, AND PRINTED BY A STAFF RESIDENT IN, AND ACQUAINTED WITH, THE CITY AND SUBURBS, whilst the Country information has been obtained from reliable sources; therefore this edition should be as complete and reliable as it is possible to render so voluminous a work.

SPECIAL.—Corrections for the 1915 Edition should be forwarded not later than the first week in October, 1914. Communications connected with DIRECTORIES to be addressed to "Compiler," SANDS' DIRECTORIES, 374 George street, Sydney.
