THE PIANOLA PIANO

is the ONLY player piano which combines these two:—

1. PLAYING ABILITY of the World's Greatest Pianists.
2. PIANO QUALITY of the World's Greatest Pianos.

When you set out to purchase a player piano bear in mind that in reality you are going to make two distinct purchases—First—A PIANO—Second—THE ABILITY TO PLAY IT.

You must realise that while the quality of the piano is important, the quality of the player is vital. For it is on the player—on the facilities the player offers for execution and expression—that your ability as a performer will entirely depend.

The World's Foremost Piano-player is Found in the Pianola Piano ALONE.

Among all piano-playing instruments, the title of the Pianola to absolute supremacy is never seriously questioned.

It is the one player endorsed by the foremost musical authorities: adopted for teaching by leading educational institutions; and recognised abroad by decorations and Royal Warrants of Appointment.

To obtain the Pianola—to obtain this celebrated instrument of which Paderewski says: "It is perfection"; which Hofmann says: "Is beyond all competitors"; and which Rosenthal says: "Is in a class of its own"—you must be sure that it is the **Genuine Pianola Piano** that you purchase, and not a player-piano of some other name.

HIGHEST PIANO QUALITY AS WELL.

Of equal pre-eminence with the Pianola are the three pianofortes used in building the Pianola Piano. They are the **STECK, STEINWAY, WEBER.**

These names are sufficient. In their respective grades, there are no other such pianofortes as these.

Do not think, however, because of its superiority in both playing ability and piano-quality that the Pianola Piano is necessarily higher in price than other instruments, or beyond your means.
