You Can Learn to Play the Pianola Piano in Half-an-hour

Just think what this means—thirty minutes only
separate you from the life-long gift of music.

Simple as they are to manipulate, the expression
devices of the Pianola Piano are intensely suscep-
tible to the temperament of any true music-lover.
The emotions with which the music inspires you are
reflected in your interpretation, and give an indivi-
duality that is impossible with any other piano-
playing instrument.

Four pianos are combined with the
genuine Pianola—the Steinway, Steck,
Stroud, and the famous Weber. Prices as
low as 120 Guineas. Easy terms arranged.
