## Alfred Croaker and Daughters

### Original World's Lolly Instructors

Instructors of First Prize Winners, Sydney, Melbourne and Brisbane Royal Shows, 1917, after one four hour lesson only. Also London, New York, Chicago, San Francisco and throughout Canada.

The value of an idea is proven by the growth of the institution promoting it. We conceived the idea in 1896 that a firm who could introduce from one country to another to confectionery Manufacturers and shopkeepers to make their own sweets without outlay for tools or machinery, or private people to supply stores from their homes, Genuine Lolly Recipes, would meet with enormous support, and so it has proved.
