Hydrotherapy, Massage, Electricity.

WHENEVER NERVOUS, DYSPEPTIC, RHEUMATIC or other like symptoms begin to make their appearance, it is unwise to neglect the warning note which nature is sounding. Rational system of treatment such as Massage, Electricity in its many forms, Hydrotherapy, etc., which aim at assisting nature to expel disease from the system, are just what the jaded individual requires to enable him to combat such diseases as Rheumatism, Gout, Bright's Disease, Diabetes, Dyspepsia, Constipation, Neuritis, etc.

If you are feeling the stress of business telling upon you, try a Salt Glow, which will produce healthy action in the skin, the largest eliminative organ of the body and which should always be kept in a healthy condition. For Rheumatism and like disorders, an Electric Light Bath, followed by a full massage to equalise the circulation and assist eliminating the body poisons, will be found very efficacious

The fees are moderate and within the reach of all.
