THIS IS THE New Self-Starting No. 10 Remington

One feature alone cuts from 30 to 40 seconds from the time formerly occupied to write any and every letter.

Non-collidible type bar increases manifold power and doubles the life of the type.

New escapement increases speed.

Capacity for maximum amount of work at minimum cost for maintenance.

THIS IS THE Remington Accounting Machine

Which Solves Your Billing Problems

When an invoice reaches your customer it must be self-explanatory and self-evident. It goes alone. No traveller accompanies it to smooth over mistakes. Mistakes are dangerous, because they antagonise customers; costly, because under-charges lower the margin of profit; annoying, because they must be explained and corrected.

Attain accuracy by having invoice and daybook written, added, and checked in a single operation, by the

Remington Accounting Machine. STOTT & HOARE, LTD.

Sole Importers Remington Standard Typewriters.

Executive Offices:

"Remington House," Liverpool Street (opposite Hyde Park), Sydney
SHOW ROOMS: 86 PITT ST., SYDNEY
